which there's info, thought and new list. Better check it out. Mungkin ada lagi distro dan label lain yg akan wujud tak lama lagi... just wait. Sebenarnya ada lagi benda lain yg lebih penting untuk saya war-warkan dalam report ni. COMMUNITY COALITION adalah sebuah kolektif dan direct action group yg mana aim dan objektif kami adalah utk membantu sesiapa sahaja yg lemah yg mana kami rasa patut di bantu (keluarga miskin, anak yatim etc)... Juga bertindak melancarkan kempen dan protest melalui banner yg di tampal di tepi2 jalan raya. Kolektif ini tdk mempunyai satu carta organisasi yg mana di sana ada berbagai jawatan... kolektif ini really based kepada keikhlasan yg mane sesiapa sahaja berhak untuk menjadi salah seorg dari community ini. Banyak aktiviti telah di jalankan setakat ini dan report-report mengenai aktiviti yg di jalankan bolehlah di dapati dari lidah tak rasmi terengganu "Ronin communique free newsletter". Apa-apa soalan mengenai Com Co juga boleh diajukan kepada c_coalition@freakclown.com. Ramai juga antara scenester di Trg ni terlibat secara langsung dan tdk langsung dalam aktiviti2 sosial yg lain dan antara aktiviti sosial yg di adakan setiap minggu ialah pembahagian makanan percuma yg diadakan setiap hari sabtu. Untuk subscribe report mengenai kegiatan makanan percuma ini anda semua bolehlah mencuba alamat ini makanan_percuma@yahoo.com. There'll be a person in charge utk handle mail nih. Ini sahajalah serba sedikit report dari Terengganu. Of course this report doesn't in anyway complete but at least gambaran tu nampakler sikitkan? Hahahahapuskan AUKU Sedikit alamat,

Terengganu Scene Report

by: Shabri 8 march

dulu hanya ade 2/3 kerat je scenester sekarang ni Terengganu dah boleh bangga dgn kehadiran manusia yg kian lama kian ramai yg get involve into the scene... some wholeheartedly, some musically and the other some....

Tdk dapat dinafikan punk mmg mempunyai ikatan yg kukuh dgn music... ramai yg mendalami punk pun, at the first sight melalui muzik, dan scenester Terengganu tdk terlepas dari itu. Banyak band sudah mula ditubuhkan dan ini sebahagian daripada band yg boleh dikatakan aktif memeriahkan lagi scene di Terengganu. Strict Tease- band punk yg wujud sekitar 98 ini masih lagi gagah bertahan... Selain drp menawarkan muzik yg boleh dikatakan agak bagus, band ini juga menawarkan lyrics yg bermesej dan kesemua line-up band ni aktif menaikkan scene dari awal pembabitan mereka sampailah ke hari ini... Karut- juga bagus dari segi lyrics dan band ni juga agak political sebaris dgn Strict Tease. Karut will has their 1st release very soon. Oleh kerana band ini boleh dikatakan band adik beradik dgn strict tease, ronin distro akan memuatkan mereka dalam satu tape. Tunggu! Quiet Rot- Band yg into riot grll stuff, mostly mendapatl inspirasi dari Bikini Kill, Hole dan lain2 riot grll band. Gastacop- satu lagi band yg boleh dibanggakan both dari segi muzik dan lyrics... saya sedikit kagum dgn band ni. Kasih Sayang- Kugiran baru dari Terengganu yg membawakan lagu2 yg bermesej. 1-2-3-4 chords of mince?/trashy punk?/grind, ntah muzik campur2 kot... Kindsadist- new talented all

sikit. Dalam perancangan mengeluarkan ep. eKe-satu2-nya band new wave yg bagus kat Terengganu... line-up agak aktif. RATM's alternative. Old Parasite- setakat ini band inilah paling banyak mengeluarkan product bunyi-bunyian sendiri. Got 3 demos kalau tak silap. DomiDigi- tertubuhnya di dungun, main new school with good political message. Kill Bridgette- sebuah lagi kugiran yg into riot grll stuff... here are some more; System Blank- main noise? Skarang berpusat di KL dan saya agak keliru samada band ni masih aktif atau tdk... Restricted Overripe- main grunge dan merupakan antara band awal yg wujud di Kerteh, Knockout- juga antara band awal yg wujud di Kerteh dan band ini membawakan muzik campur2 antara ska dan reggae kalau tak silap saya. Aftermath, band kemaman yg memainkan music hc yg ada sound ala-ala shelter and mix up with pennywise. Telah mempunyai satu demo dan sekarang bercadang untuk mengeluarkan rilis terbaru merekadi bawah label mereka sendiri. Banyak lagi band2 yg saya kurang pasti, dalam pembikinan dan sesetengahnye mungkin tdk aktif spt negative approach (grunge), ngarut ngaban (grind), Indirect Rule (punk), Uncle Bobby (punk), Emily Die Yesterday (grunge), dan banyak lagi band yg tdk bernama... MUSIC DOESN'T HAS BARIER!!! Ada juga scenester Terengganu yg tih berjaya menghasilkan bahan2 bacaan photostat yang bagus, antaranya DRSA-4 issue dah realease dan sekarang working for the next issue... zine ini antara zine2 yg banyak

Terengganu ini. emo-c-zine baru yg di edit oleh dua org editor wanita dari band Kindsadist. Really based on personal opinion and ezperience. Go Str8 Down- di edit oleh dua org anggota Strict Tease, antara zine2 awal di Trg tetapi sepi untuk seketika. Grrl Rebel- Zine pertama dari Terengganu yg cuba mengenengahkan stuff2 on riot grll. Heartwork-artzine yg pertama di hasilkan di Trg. Di edit oleh guitarist system blank. Fully art! Mosh- zine pertama yg memuatkan issue campur-campur antara music dan stuff on skateboarding. Editor zine ni mmg rajin gile babi... sekarang dah issue 5. Narrator- zine yg di edit oleh editor yg bongok... sudah sekian lama menyepi dan sekarang tgh berangan-angan nak buat balik. Jgn hangat2 taik hayam sudahler. Petal- zine ni sepatutnya di pronounce dalam bahasa Inggeris tetapi saya selalu pronounce dalam bahasa "petal-petai" hahahahapuskan ISA. Zine ini merupakan usahanita aaa usahasama ataupun kot dalam englishnye collectively edited by most of the girls around here... in KT and marang. Baru lagi rilis... Revolution without info is just nothing! START READING... Ada juga scenester Trg yg lagi berani, menceburkan diri dalam bidang distro dan record label... Setakat ini hanya satu distro dan label yg saya tahu agak aktif kat Terengganu ni iaitu Ronin Distro. Selain dari menghasilkan produk-produksendiri dan juga mendistribusikan produk-produk orang lain, distro ini juga mengeluarkan satu free newsletter on

Assalamualaikum dan hai kepada Jimbo, said dan juga semua warga cronically donut dan Broken Noise Records. Aku shabri dari terengganu. Well sebenarnya aku tdk ada apa sgt utk ditulis, melainkan cuma ingin berkongsi sedikit opinion yg aku rase perlu aku luahkan kat kau Jimbo. Idea utk tulis surat kat korang bermula setelah aku attend gig kat Heaven Studio KL yg mane Parkinson perform pada hari itu bersama kalau tak silap 7/8 lagi kugiran crusty yg memainkan muzik2 yg bising. Well sebenarnya pada hari tu aku Cuma tgk 3 band sahaja perform dan band2 itu ialah Volition, Hargon dan juga band ko Parkinson. The rest, aku Cuma duduk lepak2 di luar bangunan bertemu rakan dan peratikan orang. Well setelah aku saksikan set dari volition, aku terus jatuh cinta dgn band nie... begitu juga dgn Hargon. Dan buat pengetahuan ko, aku tih lama kagum dgn parkinson. Dan ketiga2 band yg aku lihat ari tu sama aje dari segi persembahan dan aku boleh buat kesimpulan other bands were the same too... semuanya memainkan muzik2 keras yg mana lyricsnya sukar difahami dan di dgr. Since this letter only reach you then I just would like to give an opinion about Parkinson only. Rata2 aku puashati dgn persembahan parkinson pada hari itu

walaupun parkinson hanya main Cuma 3-4 lagu sahaja. Dari satu aspek anda tih berjaya menarik penonton dan juga saya utk bergelak ketawa semasa kugiran anda membuat persembahan tapi jika di lihat dari sudut yg serius sikit anda juga sama seperti band lain2, yelling tanpa aku atau kami semua faham apa2 yg cuba anda shoutkan. You neither claim the message nor tell what the song's title is/was. Those who from your circle will get your songs and of course enjoy them tapi cuba fikir jika org luar daripada circulation korang ni yg saksikan (luar dari circulation nie bukan bermakna org tu tak joint the scene, but boleh aku katakan less crusty dari korang ataupun tak custy langsung) dan org2 tu kurang lagi pendedaran dgn muzik2 yg sebegini... apa yg diaorang akan kate? Menatang ape nyanying dok tahu? dok butir lasung! (nyanyi apa tah, tak kedengaran lang-

sung) dan mungkin ada yg rase lebih handal lagi akan berkata " cih gitu aku boleh nyanying, wargh wargh wargh habis" (kalau macam tu aku pun boleh nyanyi, wargh wargh wargh habis. Jimbo. Aku rase ko lebih arif lagi ttg bende2 ni semua berbanding aku since ko sendiri kan banyak terlibat dgn stuff anarcho yg mane mementingkan message utk di spreadkan. Tak berapa salah utk tidak menyampaikan message kalau lagu2 yg di sampaikan mudah di dgr dan di fahami tetapi bagi aku sedikit tersalah jika kite tdk menyampaikan message dari lagu2 kite yg mane org ramai tak boleh fahami our words in each songs we shout! Betul tak? Jika aku diberi peluang utk bermain gig, insyaAlah aku tdk akan melepaskan peluang utk menerangkan apa2 ttg lagu2 aku if there's any people who are willing to hear since aku dapat rasakan yg org tak akan faham dgn care aku nyanyi. Satu lagi yg aku rase kurang bersetuju ialah ttg one way gig in which kau pernah organise bende

Subversive

nie...salahkah jika kite campur banyak genre muzik dalam satu2 gig? Bagi aku, aku sebenarnya lebih suka gig yg mane band yg main pada haritu bermain muzik yg berlainan antara satu sama lain...tak salah bagi aku jika ade 2-3 band yg mainkan muzik yg sama tapi bagi aku, sukar utk aku terima jika kesemua band yg perform main style music yg sama...ianya amat memboringkan, tdk kira sama ade music itu keras ataupun jenis muzik yg relaxs. Semuanya akan jadi boring jika kite di sogokkan dgn bende yg sama dan semestinyalah message tak sampai betul tak? Apabila org dah start keluar dari hall, then sapa yg nak dgr kamu nyanyi? Sapa nak dgr message kamu? Bagi aku semua bende mesti ade check dan balance...baru seimbang...begitu jugak dgn keadaan gig...kena ada keseimbangan...taklah telinga di momokkan dgn benda yg sama...Oklah Jimbo and the gang, aku rase takat tu jelah...sebenarnya banyak gak bende yg nak aku cakapkan, tapi aku rase tgn aku nih dah lenguh menaip...the whole content of my letter is just my personal opinion...tak semestinya betul dan tak semestinya kau kena bersetuju...aku percaya ko ade alasan atas setiap apa yg ko buat dan jika boleh aku nak tahu alasan korang...Ok that's all Peace and out - *Shabri- (Terengganu)*

Cari keamanan Melalui Kasih Sayang

ello Jimbo, Ha.. Donut macammama?

Aku Izzy Bila nak release latest sini, lama issue? Mengenai betul aku Revolted, aku ngan Hasri dah tak memang tengah nak tulis surat sambung balik bikin 4th issue tapi mungkin lambat sikit tapi kita-

kat kau & dah lama tak jumpa. Tapi untuk makluman kau aku sentiasa ingat pada kau lagipun kau dah banyak

support aku dan tolong aku. Kau amacam sekarang> Sebenarnya aku sekarang ni sibuk sangat tambahan pulak tu kerja tak tentu kadang-kadang balik petang, kadang-kadang balik malam. Tu yang susah. Dan ada masa ikut lori pergi Batu Pahat, KL satu hari suntuk. Habis aktiviti lain kena cancel & nak dengar stuffs pun susah tapi kebiasaannya aku layan stuffs grind/fast ni dalam lori, dengar lagu dalam perjalanan hantar barang. Sekarang ni aku dah kurang tulis surat pada member-member dah dekat 1 1/2 tahun. Tak terima surat boring pulak rasanya. Aku rasa nak start contact member-member lama balik semula. Ok berbalik pada cerita kita tadi... wah, diam tak diam sekarang Parkinson dah ada latest stuff, power pulak tu.

Tapi aku rasa taklah se-grind release yang awal-awal dulu. Untuk 'Peace Now or Die' ni boleh di katakan HC, mungkin brutal HC? Grindnya kurang kalau nak dibandingkan dengan split tape dengan Aghast, 3 way split etc.. dulu. Tapi masih ada umpphh!!! walaupun tanpa Prop. Dan beat drum Atan sekarang aku dengar makin bagus.. excellent!! Oh ye, Jimbo - zine brokenvision& C.

jugak pasal dah lama sangat stop. Nanti bila dah siap aku mesti pass pada kau. Jimbo kau sekarang ada tak apa-apa stuff fast yang baru-baru? Kalau ada bagitahu aku, boleh aku beli.

Ok, Jimbo sampai sini aje dulu untuk hari/minggu ni - semoga bertemu lagi di minggu yang akan datang tapi sebelum itu.. mak aku kiriman salam rindu khas buat kau dan Lin. Mak aku tanya bila lagi nak datang sini, kalau nak datang bagitau cepat-cepat nanti boleh buat 'killer bubur jagung' he he he Ok lastly kirim salam pada semua especially Atan, Yusman, Said, Din Burung, Prop Jumpa lagi.

'Jimbo.. Apa khabar kamu di sana? Men-
gapa lama tak hantar berita. Aku kat
sini macam biasa aje.. Kamu dah dapat-
kah gambar yang aku kirim tempoh
hari itu. Oh ya Jimbo, kat sini aku
nak luahkan segala yang terbuku akt
dalam hati aku ni mengenai U/G scene
nie. Mengepa dengan kesilapan yang
kecil menusia sanggup memperbesar-
besarkannya? Di manakah selama nie
setianya kawan?

Where is unite? Siapa itu f*^&. Kenapa
dengan unite ni. Apa yang sebenarnya
dia mahu dari dunia U/G nie. Betulkah
dia ni penting sangat dalam scene
kita? Sememangnya ada di antara kita
sudah pun mengenali 'unite' dengan
begitu jelas serta mengemalkannya.
Sememangnya unite merupakan pekara
yang utama dalam scene U/G. Boleh
dikatakan ia merupakan salah satu
pekara asadalam dunia U/G. Yang
sebenarnya unite membawa maksud
'bersatu' dalam kata lain we all together
support memperjuangkan scene atau
muzik U/G that mean we all msut
respect each other, secara ringkasnya kita

salang 'hormat
menghormati'
ini kerana kita
dalam naungan
yang sama. Ia
tidak mengira
kita ni punk/HC/
blackmetal/ oi/
etc...
Apa yang di
inginkan ialah
sikap toleransi
yang di berikan
sesama per-
gaulan. Tapi kat
sini, tempat aku
ni unite tak lagi
di ambil kira.
Yang penting
ialah siapa yang
paling banyak
pengaruh dalam
sesuatu scene.
Kat sini ramai
yang minat
punk/HC tapi
hanya aku
sorang yang
memperjuang-
kan skin head...
kerana bagi aku

itulah dunia aku. Aku sering di fuck oleh
kawan punk/HC ni hanya kerana cara
kami berbeza dari segi pakaian mahu-
pun pergaulan... Apakah kesalahan aku
ni hingga aku di benci oleh kawan
aku sendiri. Dan salahkah aku memper-
juangkan skin head ni? Tolonglah Jimbo
- bagi aku jawapan dalam masalah
aku ni. Salahkah aku memperjuang-
kan working class hero?

p/s: Aku harap kita masih lagi kawan,
walaupun muzik kita berbeza kerana
aku tak mahu berlaku lagi seperti mana
yang aku alami sekarang.

Sembang Keria : Vol. 2

Sejak aku dah kerja ni - semangat aku untuk buat Donut dah ada balik sikit-sikit. Memang kalau nak di pikirkan masa - aku rasa semua orang ada masalah tak cukup masa. So, nak tak nak aku kena cari masa untuk Donut. Sebab kerja-kerja buat zine ni bukan nya kerja yang mudah. Aku dan Said dapat idea cara untuk kikiskan sikap malas buat zine dengan 'cuba' mengeluarkan zine ini setiap 4 bulan dgn cara apa sekali pun. Mungkin dgn cara ini tempoh keluaran pada setiap isu lebih konsisten. Sebelum ni setiap isu keluar Ada 6 bulan, ada 3 bulan, ada setahun dan sampai 1 ½ tahun pun ada! Apa-apa pun aku akan cuba sedaya upaya untuk ini.

Dgn cara ini juga, aku rasa ia dapat bagi maklumat yang agak baru tentang scene dalam atau luar negara. Jika sebelum ni, interview yang dah 'lemau' pun ada dalam donut sebab tempoh rilisnya ambik masa lama. Untuk ruangan review pun, aku rasa semua orang termasuk aku memang nak baca benda-benda yang latest bila baca review (di samping membaca tipu helah peng'riview' itu sendiri - hehehe). So, itulah sedikit sebanyak perkara-pekerja yang aku sentiasa fokus kan dalam isu-isu yang akan datang.

Dalam isu 11 ni memang ada orang yang banyak menolong. Kalau nak buat sorang-sorang memang tak siap benda ni. Selain aku dan Said - aku jugak amat berterima kasih kat Din Akar (editor zine Roots) yang dengan memberikan gambar-gambar photo yang anda boleh lihat di sekitar isu 11 ini. Aku memang dari dulu perati yang Din Akar ni memang suka shot gambar-gambar gig. Cantik-cantik pulak tu

gambar dia - macam2 jenis angle dia bedal. Angle yang popular ialah angle lompat. Dalam koleksi-koleksi gambar photo dia tu - memang banyak posing-posing band hardcore/punk yang tengah lompat. Dan untuk cover donut kali ini kita boleh nampak hasil seni gambar dari Din Akar. Oleh itu - kalau sapa2 yang singgah JB ni, rajin2 lah datang rumah Din Akar dan tengok album-album gambar dia yang berlam-bak-lambak. Gambar masa aku muda-muda pun ada (tengah kurus lagi masa tu). Kalau ada duit lebih - minta je pinjam negetif film kat dia. Kalau dia kedekut - ugut untuk kotorkan tayar kereta dia.

Bercakap tentang isu kali ni - isi-isi nya memang agak sama macam dulu. Masih lagi pada status rip-off para pembeli dengan kandungan yang tak seberapa! Hahahaha! Cuma format yang bertukar, (dah tak photostat lagi) saja nak bagi nampak gempak. Kepada sesiapa yang dah terbeli zine - harap jangan la serik untuk membeli zine ni lagi.

Banyak pencinta-pencinta seni telah menghantarkan hasil-hasil puisi mereka kepada donut. Yang peliknya kebanyakannya datang dari Ireland. Diorang kata address Donut ada tersenarai dalam listing 9woeruf390ufoweriaj. Itu yang dapat banyak puisi-puisi dari luar negara tu. Sajak dari banduan pun aku ada terima. Untuk ruangan review pulak - aku sebenarnya tak terdaya nak review terlalu banyak barang sekali gus. Tapi akan ambik mana stuff yang agak baru dirilis sebab bagi peluang kat pembaca untuk mendapatkannya. Tapi masih juga aku review benda-benda lama yang mana sempat sebab aku nak beri pendapat untuk benda yg

oleh seorang pemuda yang tidak asing lagi di sekitar Johor Bahru ni iaitu saudara MAU. Diorang berdua ni kira ada pertalian sedara. Interview dengan ADA dari Pilipina adalah yang paling best di baca di samping interview2 lain seperti 240 noise Volt, Depress dan TSAB zine. Cubalah contact mereka ni dan tulislah surat yang panjang-panjang dan bagi diorang kerja. Sebab diorang selalu sangat pergi ke tmn U dan balik lewat malam!!

DETONATE THE MIND

#2 (January 2001)

Di basikan oleh Kerk yang berasal dari Johor Bahru. Issue kedua ni memang padat, kemas dengan macam-macam bahan bacaan yang berbagai topic. Juga terdapat scene repost di samping interview yang agak panjang dan menarik dengan Kental dan juga Sawarim-bad. Harap-harap dapat melihat issue baru yang muncul pada masa akan datang.

No. 19 Jln Panti 2, Taman Johor, 81200 Johor Bahru, Johor.

ADMONISH #1 (?)

Zine ni best sebab ada katun Blues bukan untuk aku! Tapi katun ni jenis sambung-sambung pulak. Ok, macam biasa zine ni juga banyak info dan juga pengetahuan tentang macam-macam benda yang mungkin ada di antara kita tak pernah nak ambil berat. Terdapat juga poster gambar penyut tengah tensen dan maki pakik-pakik tengok dia tengah bertelor. Satu artikel yang aku suka kat sini datang dari 'editor kesal' bercerita dengan nada sedih dan marah kat seorang budak nama MAON. Editor ni memang marah sgt kat MAON ni - katanya MAON kutuk member dia sebab nampak macam mar dadah! Ntah la - aku memang berminat pada tulisan-tulisan macam ni sebab bagi aku si penulis memang betul-betul tengah marah masa dia tulis tu!! Ok, cuba dapatkan zine yang bercover hijau ini dan mungkin dah ada issue yang baru kot sekarang ni. Maklum lah review lambat sangat!

Clo Mohd Darwis, 570 Lorong Kenanga 1, Tmn tangkak Jaya 84900 Tangkak, Muar, Johor.

ABSTAINED AGOGO / HOMISIDE split (?)

Pehhhh! Zine ni memang power. Sapa yang belum dapat - aku nasihatkan baik korang

dapatkannya segera sebelum kehabisan. Pandangan aku zine ni memang 'padat' dengan macam-macam bahan yang tulen hasil olahan dari kedua editor ini. Bahan yang di ketengahkan semuanya yang serius punya benda - bukan min-main punya. Ada 1-2 yang berkaitan dengan Anti-McD. Sebahagian besarnya di sediakan dalam bahasa lebih cepat untuk pemahaman. Pada pandangan aku, bahasa inggeris memang satu masalah besar yang di hadapi oleh scene kita. Di sebabkannya ramai yang kurang berminat untuk membaca zine dan juga lirik-lirik lagu. OK, berbalik pada zine ini tadi. Interview yang panjang lebar dgn band Container

Homidise clo Bidan, 1 Jln TP6, Taman Pahlawan 76300 Sg Udang, Melaka. Abstained Agogo clo Hafeez, No 6, Kg Lundang Paku, 16450 Kereteh, Kota Bahru, Kelantan.

BOYCOTT MANIFESTO #0 (?)

Sebuah lagi zine dari Melaka. Berkonsepskan 'cut and paste' - zine ini mengandungi beberapa bahan penting yang berbentuk politikal. Terdapat hanya daru

Clo Freeman, Jaafar Sulung, KM 16, Kg Pulai, 77300 Merlimau, Melaka.

OUT OF SIGHT #10 (Nov 2000)

Mungkin agak tak terlambat untuk aku review benda ni. Ok OOS (eh! Teringat pulak aku kat Out Of Step) adalah sebuah newsletter yang tebal. Isu yang di tekankan dalam No 10 ini adalah isu Homophobic. Memang banyak feedback yang di kumpul dari macam-macam orang tentang isu Homophobic ini. Juga ada la sikit sikit artikel lain dan juga rungan review zine. Ada interview yang serious dengan Kojak dari Kota Tinggi. Aku rasa n/ ni dah keluar issue baru kot! Try la contact:

Clo Azam, 9 Jln tun Mahmud, Bandar Tenggara 1, 81000 Kulai, Johor.

DETENTION #1 (?)

Yeah, disini ada sebuah zine yang sungguh menarik untuk diriview! Detention nama di beri, Dibuat oleh saudara Husni! Ok, Zine ini memang terlalu padat dengan macam-macam bahan yang 'serius' - dengan menggunakan saiz tulisan

yang kecil sampaikan ada dianrara nya sukar untuk dicopy semula oleh mesin photostat. Tapi walaupun bagaimanapun sususannya memang menarik dan kemas. Kebanyakan artikel ditulis sendiri oleh Husni. Terkadang juga interview dengan Demisor, Violent Headache, damage digital dan Specops. Tetapi untuk rungan interview, aku dapati Husni sering memberi komen yang agak panjang pada sesetengah jawapan yang di beri oleh band yang diinterview. Aku rasa ini tidak berapa sesuai kerana mungkin band ridak dapat mempertahankan apa yang di komen oleh Husni. Lagipun ia bukanlah satu interview secara 'live' yang membolehkan soal jawab antara editor dan band di buat serta merta. Kadang-kadang sampaikan komen Husni lebih panjang daripada jawapan band!! Hahahaha! Terdapat juga ruangan review zine dan muzik. Terdapat banyak bahan yang di review di ruangan ini. Apapun zine ini bagus walaupun pada isu pertama.

Clo M Husni, 502 Blok 11, Seksyen 24 40000 Shah Alam, Selangor.

FIGHTBACK! #1 (January 2000)

Satu newsletter hardcore dgn info tentang scene local di Indonesia. Layout grafik yang sungguh menawan mata memandang. Interview bersama Extreme Hate (Indonesia).

Clo agus, Jl Tamansiswa 74 (Belakang Percetakan Phytogonos), Gg. Mamuk Deruk, Mergangsan Lor Mg 11/977, Yogyakarta 55151 Indonesia.

PINOCHIO #3 (February 2001)

Jarang aku nampak zine sekarang keluar dalam format A4. Kalau ikut keselesaan - memang bagi aku format A4 memang sedap nak baca dan juga besar untuk di pegang. Tapi kadang-kadang tu - mengenangkan terpaksa menggunakan kos yang agak tinggi maka kebanyakan zine lebih kearah A5. Berbalik kepada review - Berry telah berjaya mengumpulkan satu interview yang sungguh padat dengan menggunakan set soalan yang sama dan telah di jawab oleh Fida (90's Choice), Zam (stinky Socks), Fendy (Rintihan Perasaan), Huzaiba (Maximum think), are Me (Stinking Edible Green Bean), Azam (Out Of Sight), Kojak (Free As A Bird), Ibrahim (Ganyang), Farouk (Psycho

Diversion). Fuh. Banyak betul. Di sini aku boleh membaca macam-macam pandangan dari satu soalan. Seronok baca jawapan-jawapan yang diberikan. ada Yang lawak - Ada yang serious. Juga terdapat scene report dari dalam dan luar negara + review yang banyak sekali. Rajin betul Berry ni. Weh - bila nak keluar issue baru?

No 19, Jalan Tangga 6, Tmn tangga Batu, Tangga Batu, 76400 Tangjung Kling, Melaka.

KUNG FU RICK 'MOTIVATION TO ABUSE' CD (625)

Rilis diorang kali ni still kekalkan muzik fast hardcore yang berat dengan vokal yg jerit-jerit. Band-band US memang terkenal dengan sound-sound fast macam ni. Dan muzik jenis ni dah meluaskan ke tempat-tempat lain. Untuk CD ni ada 14 track dengan kualiti sound yang bagus. Powerviolent forever!

MASS SEPARATION / UNHOLY GRAVE - SPLIT CD (DO NOT CONSUME)

Killer grindnoise dari MxSx dengan 16 track yang pasti menambat hati pendengar-pendengar grindcore di luar-sana. Lagu-lagu kebanyakan straight to point tanpa banyak melewah lewih dengan bit-bit yang tidak di perlukan.

Total raw noise grindcore! Untuk UxGx pulak - style diorang still macam tu jugak. Band diorang ni memang ada 'sound original' diorang yg tersendiri. Kebanyakan lagu dalam cd ini telah di riliskan dalam rilis-rilis mereka sebelum ini.

Do Not Consume, 533-P, Block 2, Sri Pahang Flats, Bkt Bangsar 59000 Kuala Lumpur.

SENSELESS APOCALYPSE 'SENSELESS STEREOTYPED IDEA' CD (HG FACT)

SxAx ni memang dah banyak rilis EP sebelum ni dan ini aku rasa-rasa CD pertama diorang. Dh memang terkenal kenal muzik fast violent core yang gila! Dengan sound recording yang sgt baik - macam biasa 2 vokal yang berlainan

suara dapat memenuhi setiap ruang muzik yang ada. Lagu-lagu diorang pulak suka tukar-tukar bit dengan tak tentu hala. Yg menarik cover CD nya pula terdapat macam-macam gambar simbolik lawak yang aku sendiri tak berapa paham. Sekali imbas macam cover Pearl Jam. Bagi sesiapa yang dah biasa dengan SxAx ni anda pasti akan mendapatkannya!

PENADAS FOR LA LEY 'SEXO DEBIL' CD (ROTTHENNESS)

Band punk dari Brazil dgn line semua perempuan. Terdapat 9 track + 5 track sebagai bonus. Sound lagu mereka lebih kearah sound latin punk yang sudah pasti menyanyikan lagu dalam bahasa mereka dengan bertenaga sekali. Sayang sekali lirik pun dalam bahasa yang aku tak

paham.
Rotthenness, Caixa Postal 1197, (01059-970) Sao Paulo, SP Brazil.

INTERVENZIONE 'WALLS OF SHAME' CD (RASTILHO)

12 track fast punk yang sangat rancak dan bertenaga dari band Portugal ini. Vokal lelaki dan perempuan dengan rentak yg laju memang menaikkan semangat. Mereka adalah salah sebuah band punk political yang aktif di Portugal. Dan aku percaya sesiapa mendengar cd ini pasti kali pertama - terus jatuh cinta.
Rastilho, Apatardo 764, 2401, 978 Leiria, Portugal

VOICE OF THE VOICELESS - 4 WAY SPLIT CD (ANAK LIAR)

Ini rilis dari Anak Liar yang paling latest. Ok, band pertama adalah Man In The Shadow merupakan band dari Slovenia memberikan lagi-lagu hardcore yang agak rock diselit-selitkan dengan irama sedih. Kedua adalah Apatia-No dari Vanezuela dengan lagu-lagu punk yang melodi dengan vox yang garang menyanyikan lagu dalam bahasa ibunda mereka. Ketiga datangnya dari Singapore - Red Kedge dengan 4 track lagu hardcore yang menjerit-menjerit tak henti-henti. Sungguh tragis dan juga terdapat part vokal solo yang sedih. Akhir sekali adalah Autonomia dari Peru yang membawa lagu-lagu

punk molodic yang agak laju dgn bagus sekali. Juga menyanyikannya dalam bahasa mereka. Ok, itu sahaja yang dapat aku katakan untuk CD mat pang ni. Nasib 4 band. Kalau 20 band.. sure aku tulis 'etc' - 'etc' punya! Malas aku nak taip banyak-banyak. hahahahaha!
Anak Liar, 12 Jln Tasek 25, Bandar Seri Alam 81750 Masai, Johor.

SUMMER DAY IN JUNE - CD (WEE WEE)

Ini agaknya yang orang selalu sebut 'sound hc france' tu. Sebab bila aku tengok balik memang ada beberapa band france yang ada lebih kurang main macam ni. SDIJ ni mengingatkan kat band Finger Print. So mungkin korang dapat bayangkan muzik diorang macam mana. Tapi apa yang paling penting aku nak bagitahu di sini. Design Graphic untuk cover CD diorang ni memang lawa gila. Bukan sebarang orang boleh buat layout macam tu. Aku rasa ini adalah Graphic tercantik yang pernah aku lihat. Bukannya apa, aku ni suka pada apa-apa benda yang mempunyai nilai seni. Dan aku akan tengok lama-lama sampai penat!
Wee Wee, 25 Rue Goudouli 31240 Saint Jean, France

PREDESTINE HOUR OF DEATH #1 (Feb 2001)

Sebuah zine datangnya dari seberang sana (Indonesia). Hampir keseluruhan bahan bacaan di sediakan dalam bahasa. Dan ada juga yang di terjemahkan untuk memudahkan lagi para pembaca. Kita juga boleh dapati 2 interview bersama2 band iaitu Distrust (Singapore) dan Stepforward (Indonesia). Terdapat banyak info mengenai scene tempatan dan juga luar negara. Bagus untuk issue pertama ini dan harap untuk issue yang akan datang lebih bagus dengan idea-idea baru dan lebih tebal!

PSYCHO DIVERSION #1 (May 2000)

Aku ni sebenarnya takut nak review zine si Farok ni. Tengok nama dia pun cukup. Dah tahu dah - yg dia ni memang gengster jahat suka tenet awek-awek cantik. Hahahahaha! Ok, zine Farok ni memang padat dengan interview, bahan bacaan, etc. Memang kurang gambar. Susunan layoutnya kemas dan sedap mata memandang. Zine ni juga di usahakan bersama

aku rview tu. Isu ni jugak aku langsung tak sempat nak review vinly sebab leceh sangat nak handle benda turntable tu. Maklumla la, aku punya player tu manual je - tak macam Din Burung punya. Siap boleh scratch2 lagi.

Ambil perhatian - aku lebih tekankan pada stuff tempatan untuk direview. Tolong hantarkan apa saja produk yang anda riliskan. Apapun, jangan salah sangka yang aku nak barang free - sebab aku akan cuba trade dengan barang yang sama nilai dengan barang yang aku terima. Tapi jangan cuba nak ambil kesempatan dengan hantar stuff yang bukan-bukan pastu mintak trade cara paksa. Memang aku tak layan orang macam ni. Anyway, aku still cuba dapatkan seberapa banyak stuff2 local untuk direview.

Memang macam-macam benda nak di ceritakan mengenai benda-benda yang berlaku dalam tahun 2000 hingga sekarang ni. Antara menarik dalam tahun 2000 - aku dan kawan-kawan kat JB & Singapura dapat tolong menjayakan mini tour Power Of Idea yang berlangsung sekitar bulan 5. Ini adalah pengalaman pertama aku uruskan gig untuk band 'luar'. Memang macam-macam benda yg aku kena buat. Antara benda yang paling susah ialah nak cari tempat untuk gig. Mula-mula aku pikir Dewan tapi memandangkan banyak sgt kere-nah - kena jumpa AJK dewan la, MBJB/Polis dan lain-lain, aku try cari tempat lain yang tak payah benda2 ni semua. Nasib baik la Botak tolong aku perkenalkan dgn tokey sebuah pub bernama Jungle Café. Cerita punya cerita, aku berjaya book tempat tu. Sebenarnya tempat ni, memang port budak-budak Metal buat gig. So, mungkin tokey tu dah paham akan benda gig ni.

Secara kebetulan pada tarikh yang

hampir sama, CODE 13 dari US juga turun Malaysia dalam jadual world tour diorang. Dalam masa yang sama - maka timbul macam-macam pekara yang tak best berikutan takirh tour kedua-dua band ini adalah sama. Berbagai andaian di buat dan jugak khabar-khabar angin yang bagai angin kentut - berangin dalam spender dan berbau busuk. Tapi macam biasa bila dengar bunyi kentut-kentut macam ni aku tutup idung dan buat tak tahu je - malas nak ambik tahu sapa punya kentut. Sebab takda paedahnya nya pun kalau aku tahu sapa yang kaki kentut tu.

Gig Power of Idea berjalan dengan lancar pada kedua-dua tempat di JB & Singapura. Dan yang lebih mengembirakan apabila CODE 13 juga dapat bersama-sama bermain di JB. Sedikit sebanyak ini dapat membuktikan pada semua yang sebelum ini pikir yang bukan-bukan. Gig ni ni memang best gila, tambahan pulak dengan persembahan dari kugiran Dirty Dogs berjaya menambat hati pengunjung. Lepas habis gig kat JB - aku sempat bawa Power of Idea and the geng pergi shopping VCD kat Giant, Plentong. Banyak gak diorang borong VCD - cerita kung fu, aksi, sedih, etc. Aku sempat gak tunjuk VCD untuk clip artis-artis Jepun. Semua diorang bedal. Diorang kata kat sana VCD rare - DVD je yg popular kat sana. Sebelum aku terlupa - aku juga ada merasa makan bebola nasik (yang macam dalam cerita Oshin tu) yang di bawa oleh diorang. Rasa dia - tak berapa sedap. Lebih kurang macam pulut tapi lebih melekit-lekit. Di baltu dgn rumpai laut.

Untuk Broken Noise rilis pertama untuk alaf baru merupakan kaset Power of Idea yang di berikan percuma di pintu masuk gig Power of Idea (tapi seka-

rang dah tak boleh bagi free - kena beli). Dan di ikuti dengan split Atret/Reconstruct. Rilis ni memang paling mencabar dan ganas. Memang pening kepala nak siapkan cover cd dan kas-etnya. Dan rilis ini jugak telah menjadikan aku jatuh pokai dalam jangka masa yang agak lama. Tapi rilis ni aku rasa puas sebab dapat menyiapkannya seperti apa yang aku plan. Akhir Desember aku sempat mengeluarkan CD NYAB. Yang ni pun rabak jugak poket aku di buatnya - sebab kos setem untuk hantar royalti ke Brazil memang mahal gila babi! Tapi apa nak buat dah memang aku sendiri suka untuk mengeluarkan CD NYAB ni. Budak-budak NYAB ni memang friendly.

Kaset EP Parkinson adalah pembuka untuk tahun 2001. Sebenarnya aku (Parkinson) rekod lagu2 untuk EP ni saing dengan Reconstruct dulu. Tapi di sebabkan 2 kali aku kopak tahun 2000 - aku tangguhkan sampai ke bulan Febuari. Aku sendiri pun dah naik menyampah dengar lagu2 yang dah lemau sebab simpan lama sgt kat bilik aku. Semua stuff2 ni masih ada stok untuk di jual. Selain tu semuanya dah habis dan takkan press lagi. Sila ambil perhatian. Sebab sampai sekarang - ada yang still order kaset-kaset lama macam Protest, Parkinson (1'st), Social Crime, etc. Memang dah lumrah agaknya - bila benda dah takda memang ramai yang cari - tapi masa aku dok jual kat gig dulu, tengok pun tak nak! hahahahaha... Untuk masa akan datang - memang banyak projek yang di rancang. Dan semuanya bergantung pada masa dan kewangan.

Aku minta maaf kepada sesiapa yang melayari lawan web Broken Noise. laman web ni memang dah lama tak up-date semenjak line rumah aku kena

potong. Ini semua sebabsi Jontos (abang aku). Dia gayut sampai bil tinggi pastu taknak bayar. Kalau korang jumpa dia kat mana-mana, korang pukul je dia - tapi jgnlah sampai kecederaan serius pulak. Kalau pergi hospital tu - kira pesakit luar je. Sekarang ni aku dah susah nak balas email dan update webpage. Dah la kat desa jaya ni ada sebiji je CC. Pastu penuh dgn budak sekolah (pakai uniform lagi) main game network tembak-tembak. Aku nak masuk line sendiri - dah tak boleh. Nama aku dah kena blacklist sebab tak bayar bil rumah kat taman U dulu. Aku tahu memang susah nak jaga homepage ni kalau takda line sendiri kat rumah. Bagi aku kalau aku update list mailorder kat internet - mungkin ramai yang dapat info lebih cepat dan terkini. Tak payah nak bagi setem 30 sen - pastu tunggu pulak aku reply surat. Cuma yang aku

boeh buat sekarang ni - dgn hantar email terbaru pakai email. Itu pun jarang pergi CC sebab busy. Kalau dah start cerita pasal distro ni - memang banyak benda aku nak cakap. First sekali pasal setem. Aku tahu ramai yang suka guna gam pada setem. Dan aku rasa cara ni memang popular sekarang sebab ia sgt menjimatkan. Tapi bagi diri aku - aku tidak gunakan cara ini untuk hantar order sebab aku memang nak pastikan yang segala barang/surat yang aku hantar selamat. Aku cakap macam ni sebab aku selalu sangat kena denda dengan posman sebab banyak surat yg aku terima ada gam. Dan aku jugak pernah dapat amaran dari pihak pos mengenai benda ni. Aku bukan nak halang budaya gam ni - Cuma aku rasa kalau ia di buat cara selamat dan teliti, mungkin risiko kantol akan kurang. Tapi pada apa yang

aku tengok, ada tu setem sampai dah nak hancur pun diorang dok bantai gam jugak!

Dan ada pulak sebilangan yang pegi bubuh gam yg kilat-kilat / tebal / color/ etc pada setem. Yang letak setem terpakai (yg telah di cop) pun ada jugak! Ini memang n e m a n g cari nahas n a m a n y a .

Memang berani betul budak-budak ni. Sebab diorang sanggup ambil risiko walaupun dalam surat diorang tu ada order barang. Oklah, aku nak bagi tips untuk benda ni sebab masa dulu-dulu pun aku buat jugak. So, pertama sekali kita kena dapatkan gam kanji yang murah tu - harga dalam 10 - 40 sen mengikut tempat masing-masing. Kalau lebih 50 sen tu dah kira kena nip-off dgn kedai la tu. Gam ni ada dua bentuk - satu macam ubat gigi (jenis picit-picit punya) lagi satu jenis bekas plastik siap ada sudu kecil untuk cedok gam tu. Lepas dah dapat gam - sila sapu gam pаса setem dgn rata dan nipis. Dgn jari lagi elok - jangan nak mengadaga-ngada guna kain/etc. Dan bila dah kering barulah di lekatkan pada sampul surat. (PERHATIAN: jgn lekat setem pada sampul surat baru nak letak gam sebab nanti ada kesan gam kat tepi-tepi setem pada sampul surat.) Harap dgn tips yg tak seberapa ni - akan membantu pada mereka yang ingin menjimatkan wang anda. Semoga berjaya.

Beralih pulak pada cerita lain. Yeah! Kemunculan ARGON telah menggegarkan muzik punk di tanah air. Argon adalah sebuah band membawakan muzik muzik ganas dgn bukan satu tetapi dua orang vokal yang selalu bertumbuk bila time nak cari lagu! Heheheheh! Ini bukanlah satu kenyataan untuk menjatuhkan band ini tetapi aku cuba nak membayangkan betapa hebatnya band ini. Dianggotai oleh Din Akar, Wan Jalu, Tiong (Drummer Reconstruct) dan Uncle Prop (ex-Disorder Track and Parkinson). Ternyata gabungan mantap 4 lelaki dapat mewujudkan sebuah band sungguh agresif. Nantikan kemunculan EP sulung Argon pada tak lama lagi. Pasti tidak akan mengecewakan anda.

CHILDREN OF BODOM 'HATEBREEDER' CD (SPINEFARM)

Ha, yang ni jangan dok buat main. Ni line-line pegang sabit punya band! Ada gambar pakekik pakai jubah pegang sabit kar cover CD ni. Okeh, COB ni memang best - dgn iringan keyboard yang beirama. Sound memang clear/power gila dengan skill yang cukup tinggi. Diorang ni main memang skill. Agaknya diorang ni memang dari kecil kot dah start jamming! CD ni ada 9 track dan tambahan 1 track untuk Jap pressing.

V/A MERCILESS CORE CD (MERCILESS)

40 track yang cukup-cukup power dari 7 band di dalam cd compilation ni seperti Misophsyia, Social Deformity, Cunt N Bananaaz, PTAO, Needful Things, Oral Climax and The Public. Needful thing memang terus automaticly jadi sasaran aku untuk buat MP3! hahahah. Dalam compilaion ni memang keseluruhannya memang fast@noise comp. Mengem tak rugi kalau sapa nak try tukar angin nak dengar lagu-lagu grind/noise.

324 'BOUTOKUNOTAIYO' CD (HG FACT)

Band ni memang power. Keseluruhan lagu di gubah dengan reliti untuk setiap part. Still ada bit-bit crust dan hardcore di selang-selikan dengan attack grind yg laju dan ganas. Vokal banyak main peranan kat sini. Band dari Jepun ini memang padat dan bertenaga. Tak dapat aku bayangkan bila diorang main live.

Hg Fact, 105 Nakanoshin-bashi-M, 2-7-15 Yoyoi-cho, Nakano-Ku, Tokyo 164-0013, Japan

BICEPTASAURUS / COSTAS CAKEHOUSE - SPLIT CD (IN LEAGUE WIT' SATAN)

Waduh! Ini CD kegemarannya aku. Bicep (Australia) berkonsepkan hardcore grind yang heavy dah membuatkan aku jatuh cinta. Dengan 2 vokal track killer untuk Bicep. Cx/Cx tak lari banyak dari muzik Bicep - pendek kata split ni memang 'kena' diorang ni. Lebih banyak part hardcore violent yang jerit-jerit. Band dari Jerman ini sebelum ini ada merilis beberapa material yang bagus. Highly recommended!

In league wit' Satan, Po Box 1418, Fortitude Valley, Q 4006 Australia.

SUPPOSITORY/AGATHOCLES - SPLIT CD (OBSCENE)

Suppository dari Holland mungkin dah kenali oleh mereka-mereka yang mengikuti scene grindcore. Bagi aku ini antara band yang selalu jadi perhatian aku bila di waktu kesunyian. Sebelum ini aku hanya ada rilis2 dalam bentuk vinly dan kali ni aku dapat dengar sound diorang dalam bentuk digital.

HUNT HUNTERS

Muzik diorang ni nak kata asik grind je pun tidak, still ada part2 slow yang berat dan ganas dengan 2 vokal yang berlainan suara. Dan Agx pula memang tak perlu di perkatakan lagi tentang muzik pakekik-pakekik ni.

So, split memang best! Pandai betul budak obscene ni match kan band ni.

Obscene Productions, Milislav 'Curby' Urbanec, Dolany 117, 53545 P Opatovice, N./L., Czech Republic.

CIRCLE OF DEAD CHILDREN 'STARVING THE VULTURES' CD (WILLOWTIP)

Terus terang aku cakap, CD ni memang selalu sangat aku dengar. Sampaikan kalau time Parkinson buat live - kita selalu ambik satu part dari satu lagu dalam CD ni untuk intro! hahahaha! Itu pun kalau ada yang terpesanan. OK, dari segi muzik, kelajuan bukan perkara utama yang ditumpukan dalam lagu-lagu diorang. Cuma diorang suka main macam-macam bit slow&laju heavy di mana vokal suka menjerit-jerit bagaikan didera dgn kejam!!! Background muzik memang tak lepas dari bunyi d. pedel. Lirik diorang berkisarkan kehidupan dan ada tu memang susah nak difahami sebab guna English yg susah-susah sgt. Willowtip Recs, 103 David Drive, Butler PA, 16001, USA.

V/A NOISE FOR DEAF 2 'NOISE OFFERING INTEREST IN SUPPORT EDUCATION FOR DEAF' CD (ROTTHENNESS)

Satu lagi compilation benefit yang di usahakan oleh Rotthenness recs dari Brazil. Terdapat 32 band masing-masing memberikan sebuah lagu. Kebanyakannya aku tak pernah dengar band-band dalam comp ni. Terdapat juga band seperti Negative Control, Absurd, NYAB, Disarm, etc. Support mereka.

SLIGHT SLAPPERS 'A SELFISH WORLD CALLED FREEDOM' CD (HG FACT)

Nama band ni memang agak basar di kalangan scene yang main muzik jenis fast core ni. Aku selalu terbayang macam mana diorang boleh ada stamina main bit-bit laju macam ni. Aku rasa lagi penat main drum ni dari grind. Bukan semua orang boleh main macam ni kalau tak berseman betul-betul. Walaupun muzik jenis ni bukan jenis yang aku favourite tapi aku tetap suka pada benda-benda yang laju ni! Aku tak tahu CD ni rilis yang ke berapa untuk band diorang ni. Ada banyak gambar 2 jejaka yang telanjang bulat di merata-rata bahagian cover cd ini.

NEE 'NEE MEANS NO' CD (DIY)

Satu lagi band grind gore noise yang sangat laju. Ada 41 track kesemuanya. Nee ni kalau tak silap aku pernah split dgn Warsore. Kebanyakan muzik di mulai dengan intro2 yg unik dan pelik dan di sudahkan dengan bunyi grind yang tak berhenti-henti. Seronok gila layan benda macam ni. Tapi tak boleh selalu sangat sebab nanti sampai rahap boring kerana lagu-lagu nya lebih kurang sama. Teringin nak dapatkan lagi rilis band ni.

c/o Dennis Van Geldrop, Korenbloemstraat 10, 6026 CD Maarheeze, Holland.

ONE 2 KA 4 - VCD

Cerita ni memang dapat publisiti meluas dan promosi yang gila-gila. Mungkin kerana ada sesetengah rakaman di buat di Malaysia. Apa pun jalan cerita nya memang boring. Mula-mula aku ingat bagus sangat la cerita ni. Rupanya cerita Shah Rukh Khan jadi polis naik moto laju-laju pastu tembak sana-sini, nyayi-nyanyi lebih kurang, pastu habis. Boring gila!!

EDORA 'NO REGRETS' KASET DEMO (DIY)
Band dari Singapore ini memang menjadi perhatian pada waktu ini. Mungkin kerana kelainan dari segi vokal perempuan di mana kita dapat lihat memang sgt kecil bilangan yang mempunyai vokal perempuan. Bagi aku muziknya memang betul-betul masuk tune telinga aku. Drum memang main peranan dalam lagu-lagu diorang ni. Sound ala-ala Slight

Slappers dan bila time diorang laju. Part-part ni yang paling mahal ni! hahah! Cara vokalnya teringatkan aku pada album Power of idea - Hyper Yellow Thrash. Ikut suka korang nak labelkan band ni fast-core ke, grindcore ke, terah core ke. Bagi aku, pada keseluruhan - aku memang cukup-cukup suka pada EDORA! Pada sapa yang belum dapat benda ni - try dapatkannya cepat! dan sapa-sapa yang dah ada tape ni - jgn bagi pinjam kat orang yang tak boleh di percayai. Nanti kena curi! *clo Asyura, Block 227, Choa Chu Kung Central, #04-198 S(680227) Singapore*

A T R E T / RECONSTRUCT SPLIT KASET/CD (BROKEN NOISE)
Mungkin agak tak terlambat untuk aku review rilis ni. Ini ada project split kedua Broken Noise antara band tempatan dan band dari Indonesia. Kali ini Atret punk dari Yogyakarta memberikan 13 track lagu crust/punk yang bertenaga dengan dual vokal lelaki dan perempuan. Manakala band

Reconstruct dari Kluang membawakan 7 lagu crust vokal bersuara ganas seperti mahu menerkam. Awas jangan hampiri ketika mereka membuat live di pentas.

VOLITION/ENDLESS STRUGGLE - SPLIT KASET (BAZOOKA)

Kaset ni sebenarnya dah keluar lama dah. Tapi di sebabkan masalah covenya maka dah lambat setahun lebih! Memang amat memilukan untuk menunggu sesuatu yang kita ingin sangat-sangat! Akhirnya pada bulan 3 lepas - split tape di rilisan. Ok, Volition untuk tape ini memang bawa lagu-lagu grind/crust/core yang laju dengan jeritan vokal yang konsisten. Ada lebih kurang 10 lagu termasuk 1 cover dari Abstain. ExSx juga memberi 12 lagu yang konsepnya agak sama dengan Volition cuma mungkin berbeza dari segi penyampaian vokal.

Bazooka - Shah Alam

PARKINSON 'PEACE NOW OR DIE' KASET EP (BROKEN NOISE)

Nak review band sendiri memang satu pekara paling susah. Karang kalau tersalah cakap, susah pulak nanti. hehehe Ok, lah secara ringkas - lagu2 dalam EP ni di rekod sama dengan Reconstruct pada tahun 2000

dulu. Tapi sebab pemalas sgt dah delay berbulan-bulan. Ada 7 lagu lagu rip-off dengan cover kaset ada gambar makkik tengah menembak.

V/A AGAINST SEXISM/RACISM 'BENEFIT TO ZURAIDAH MOHD YASSIN' KASET (AMAN)

Satu usaha yang cukup baik dari AMAN label untuk menolong Zuraidah. Zuraidah ni adalah seorang yang kurang bernasib baik berasal dari Jerantut, Pahang. Dia hidup susah dengan tanggungjawab terhadap adik-adiknya selepas kematian ibu bapa dalam kemalangan jalan raya. Berbalik semula pada kompilasi ini mengandungi 22 band dari serata dunia seperti Summer day in June, Seem Red, Junggling Jugalas, DDI dan lain-lain lagi (tak larat tulis sebenarnya - heheh). Terdapat 14 page booklet mengandungi artikel dan lirik untuk kompilasi tape ini. Ramai-ramai la kita support dgn membeli tape ini secara tak langsung dapat menolong Zuraidah. Dan jika sesiapa yang berminat - boleh hubungi terus Zuraidah untuk menghulurkan bantuan di alamat: Zuraidah Mohd Yassin, No 74 Kg Bukit Nikmat Hilir, 27090 Jerantut, Pahang.

Aman, No 42 Jln Saga 2, Taman Saga 28400 Mentakab, Pahang

NEW YORK AGAINST THE BELZEBU 'FROM ENDORSEMENT TO OBSERVATION' CD (BROKEN NOISE)

Ada 60 track lagu-lagu yang pendek-pendek dengan grind noise yang kadang-kadang tidak boleh diterima minda. NYAB memang pakar dalam mencipta muzik grind noise ini. Cd ini sebenarnya salah satu album cover untuk Napalm Death. Itu yang kita boleh lihat terdapat lagu dan artwork menyerupai Nx/Dx yg telah di ubahsuai mengikut cara tersendiri. Siapa yang dah tahu muzik NYAB sebelum ni mungkin tak keberatan untuk memberitahu kepada anda yg tidak tahu. KENARI NYAB - belum cuba, belum tahu!

SOCIAL INFESTATION 'L'ASCIATE OGNI SPERANZA' CD (GOATLOAD)

Kalau sapa yang dah dapat stuff2 S. Infestation sebelum ni mesti dia akan tak teragak-agak nak dapatkan rilis yang ni. Sound standard abang-abang punya sound. Memang bagus rekoding budak-budak ni. Ok, macam biasa style music diorang still heavy grind dgn influence metal yang sgt kuat pada keseluruhan muzik. Ada kala meleweh-leweh tapi sedap memang lawan gila. 17 track semuanya dalam masa hampir 23 minit.

Goatload Records, PO Box 14230. Atlanta CA 30324-1230 USA

BEANFLIPPER 'TOTAL DYSFUNCTIONAL COLLAPSE (DEPORTED)

Sebelum ni aku hanya pernah dengar nama dia je. Tapi bila aku dah dengar rilis dia yang ni memang meleset dari apa yang aku sangka. Sebelum ni aku ingat band ni main meleweh-leweh. Pendek cerita muzik diorang memang sedap kat telinga aku. Takda la into grind ke hapa, cuma punk rock yang laju dan bertenaga. Ntahla, nak kata hardcore pun tak beralah kena dengan muzik diorang ni. Sound memang jenis recording mahal punya! hehehe. Aku tak tahu la untuk rilis-rilis diorang yang lain tapi CD yang ni memang selalu gak aku dengar. Try contact label di bawah -kalau2 CD ni ada stock lagi.

Deprtd Recs, PO Box 4141, Richmond East, VIC 3121, Australia

Ada orang bertanya tentang khabar angin untuk compilation yang di anjurkan oleh Broken Noise. Yup, memang benar - aku ada merancang untuk buat satu compilation untuk band sekitar Johor. Dan Tarikh recordingnya sepatutnya pada 17 March yang lalu. Tapi di sebabkan line tak berapa clear kat JB pada masa tu (ada kes skin-head bunuh orang) - tarikh nya telah di delay pada 5 Mei. Kepada band-band yang terlibat tolong ambil perhatian - tolong contact aku (apa cara sekalipun) 3 hari sebelum tarikh recording untuk mengetahui tempat dan waktu untuk recording. Di jangkakan 8 band yang terlibat untuk compilation ini. Tarikh rilis pun aku tak pasti. Tapi aku akan berusaha buat yang terbaik untuk rilis ini.

Kehidupan sekarang ni aku rasa macam tak jauh bezanya. sebab kalau masa kat Taman U aku lepak kat Ayob sekarang kat Desa Jaya - aku lepak menge'teh' kat Binawe. Dan macam biasa Atan still pegang ranking teratas dalam bab melapak ni. Antara pengemar-penggemar Binawe adalah Black (abang kandung Said). Dia ni memang kuat racun aku dgn Atan pergi Binawe. Bukannya apa, dia ni dah dalam golongan pakcik-pakcik dah (dah kawin) tapi still join jugak. Tahun lepas dia kawin. Kenduri kawin dia kira gempak jugak - banyak budak-budak turun termasuklah Adik (Bollocks). Sempat jugak aku bertegur sapa dgn adik dan tanya khabar. Tak sangka pulak boleh jumpa dia kat kenduri Black sebab dah lama tak jumpa dia selepas Bollocks dah takda lagi.

Aku sekarang dah start kerja kat tempat baru, sebelum ni kerja kat dalam kawasan perumahan dan selalu naik

basikal. Tapi tempat kerja baru ni kira jauh jugak dari rumah aku - dan aku tak ada pilihan lain selain naik motor abang aku punya. Moto ni jenisnya adalah SS 110. Aku ni sebenarnya tak pernah ada apa-apa lesen memandu. So, aku nekad je pergi kerja naik moto tanpa lesen. Moto abang aku ni takda la power sgt. Bakul pun takda. Aku pasang bakul sebab senang nak letak barang. Aku bawa moto tak adalah laju sgt sebab masih takut-takut lagi bawa kat jalan besar. Aku paling ngeri kalau bas Transit Link follow rapat kat belakang aku. Mentang-mentang dia bas. Lagi satu aku paling marah kalau bas-bas ni berhenti mengejut kat 'bas stop'. Dan kadang-kadang tu kalau balik lambat sikit, aku selalu gak racing dgn mat-moto yang kerja kat Singapore. Diorang ni semua gila-babi bawa moto. Kalau nak kenal diorang ni senang je. Biasanya kat belakang moto diorang ni ada box hitam. Dan moto diorang memang jarang tengok bersih. Memang kotor gila. Dengan tanah merah, berlumut dan sampaikan rim dah jadi kaler

hitam. Tapi, skill bawa moto memang tak boleh lawan.

Aku ada daftar nama untuk ambik lesen moto baru-baru ni. Aku daftar kat sekolah memandu Hasnah, Kampung Melayu. First sekali kerani kat sekolah memandu tu, suruh aku pergi kursus Pemandu Berhemat selama 5 jam. Orang yang bagi syarahan semasa kursus tu memang ganas. Dia suka takut-takut kan awek-awek dengan cerita-cerita gore tentang kejadian-kejadian di jalan raya. Benci

pulak aku tengok Masa kursus tu jugak dia ada edarkan beberapa gambar eksiden yang memang dasyat! Pakcik ni memang kepala gore!!!! Ramai yang takut nak tengok gambar tu terutama awek-awek yang lepas SPM. Laki-laki pun ada yang tak larat tengok gambar tu. Bila time sampai kat tangan aku. Peh, aku macam nak rembat bawa balik sekeping dua. Dah terbayang dalam kepala nak buat artwork untuk cover!!! Hahahahah! Bukan senang nak dapat gambar-gambar macam ni. Orang JPJ dan orang hospital je yang selalu simpan.

Nampaknya aku aku dah banyak sangat melalut ni. Tak sedap-pulak dah nak habis ruang untuk taip. Ok lah, sampai disini sahaja untuk kali ini. Terima kasih kerana meluangkan sedikit masa untuk rungan ini. Harap maaf jika terdapat banyak ayat yang tidak di fahami. Harap kita akan berjumpa lagi pada bulan 8 nanti. Doa-doakan lah semuanya berjalan dengan lancar. Terima kasih kepada semua! Stay cute! - Jimbo (27/4/2001)

weight and seem to be happy with the beautiful burden on its back. On a cold morning, the bench under the durian tree can't be seen from the house because of the fogs that cover the morning air like bees swamping a field of roses. From Im's bedroom window, only the shiny surface of the river that is visible and it looks really lovely as the morning sun strike on it surface and make it glow with beauty and radiance, give you the feeling

that it will be a wonderful day, full with positive promises.

the circulating fresh air. The bench is made from pieces of woods taken from an old chicken barn that used to be just at the back of the house. It is quite big, three people can lie on it in a single time. In the old days, the numbers of chickens reached to two hundreds but now there are only twenty left. Some of it were cooked into diner, some were sold, some were stolen and some were lost, maybe eaten by wild animals. The chicken barn was too big and it was thorn down some years ago to make way for a bigger yard that is extremely important during Hari Raya and a new toilet to replace the old one that seem to be a little too uncivilized for modern users today.

From under this tree Im had learn many things. This is his favorite hiding place whenever his aunt scolded him for reasons that he finds unfair. And this is the place where Am, his little brother made a swing that only lasted for two days. Maybe the rope wasn't tied strong enough but they were pretty sure that someone had tempered with it that night after they finished making it to stop them from playing under the tree even at night and swinging and climbing the tree branches like wild monkeys. Hi uncle, Pak Su is one of those people that don't talk much and just smile whenever Im went to him weeping and with swollen backside.

The only way to Pak Su's house is through a small bridge that is still standing after more than forty years. The bridge was made of five pieces of woods, maybe three meters long each, tied together with thick rope. Back then, it was the only way for people to cross the river that can be a little challenging after monsoon rain where the river could rise to three meters. The river itself isn't that big, three meters wide with a dept

It's hard to ignore the fact that if someone wakes up to a beautiful morning each and everyday, the soothing air will have an effect on your everyday mood. It will eventually make your smile wider, with more dept and sincerity than people that inhale carbon monoxide and tar on a daily basis. The tall and healthy trees that are racing between themselves, trying to be the tallest tree of all, supply fresh air to people's lungs and it would be even beautiful on the morning that is shower with beautiful chilling kampung's morning dew. It looks like little shining diamonds on the tips of tree leafs and grass, that make them bend a little to support the dew's

Sitting on the bench under the big durian tree is something that Tok Ki really take pleasure of. The tree is so big that it eclipses half of the house with its massive shadow making the house cool even in a hot sweaty afternoon. The branches are big and long that sometime looks like a protector to the other small trees around it, taking shelter under its thick branches and leafs. Sunlight and rain were almost blocked from penetrating through its leafs making it a good shelter and a resting-place, with the leafs filtering only the coolest and most soothing wind that are allow to pass through it. That makes it more cooler here than in the house because of

DISAFFECTION 'LEGACY OF BRUTALITY' KASET (BITTER SOUND DISTRO)

Muzik punk yang laju serta kombinasi 2 vokal yang mantap adalah pilihan band dari Indonesia ini. Terdapat 14 track kesemuanya. Dan memang tak jemu mendengarnya. Lirik tulis pasal Kerajaan, war, polis dan macam2 lagi. Salah satu kaset yang selalu kena pinjam!

Bittersounds c/o Wendi, Po Box 56, Mlik 65114 A, Malang, Jawa Timur, Indonesia.

DISGRACE / PENGHAPUS SPLIT KASET (DIY)

Disgrace ada bau-bau Swedish yang agak laju dalam keseluruhan lagu2 diorang. Bercampur dengan gentel-gentel gitar yang tidak ada arah. Penghapus pulak lebih kepada rentak punk yang agresif. Dari segi line-up aku rasa kedua-dua band berkongsi-kongsi antara satu sama lain. Dari segi lirik Penghapus dalam bahasa dan Disgrace dalam BI.

Penghapus c/o Abid, 1 Blok 6, Seksyen 16 Shah Alam, 40200 Selangor, M'sia.

Disgrace c/o Ayen, 4 Jalan 18/16 B, 40200 Shah Alam, Selangor, M'sia.

DECAY 'TOTAL DECAY' KASET (HARDER)

Ini adalah antara band Indon kegemaran aku. 2 suara garang yg bersahut-sahut yang memang masuk bit walaupun kadang-kadang terkucil. Dgn rentak grindpunk dalam kelajuan yang agak membahayakan. Diorang ni memang kira pandai buat bit-bit yg teknikal. Kata orang tak-dalah buat lagu cincai2. Semuanya 21 lagu di dalam kaset ini dgn full color cover. Di di saya sempat salinkan satu rangkap ayat yg di ambil pada cover mereka: *KEMUNDURAN TOTAL - Ketika bumi masih terbebas dari segala polisi, dan toleransi antara mahluk hidup dan alam masih seimbang, manusia berusaha untuk bertahan hidup dan berlaraj banyak dari alam, dan dengan akal pemikirannya, manusia bisa memanfaatkan alam, maka terciptalah teknologi. Ketika populasi manusia meningkat, dan kebanggaan akan rasa kebersamaan diatas suatu dataran bersatu dan maka terbentuklah negara dimana suatu masa memberi kepercayaan untuk diatur suatu golongan yang di sebut pemerintah. Dan ketika sifat dasar manusia yang tidak pernah puas akan suatu hal mengotori kepercayaan tulus yang diberikan massa kepada pemerintah maka terciptalah suatu sistem yang tidak adil, sistem yang membatasi hak-hak kaum kecil dan memberikan hak-hak istimewa kepada suatu golongan, maka lahirlah kekuasaan yang didukung oleh militer yang dibentuk, untuk mendukung kekuasaan yang ada, dan melahirkan banyak penindasan, keserjanaan, intimidasi, bahkan pembunuhan, bagi siapa yang melawan. dan ketika teknologi dan kekuasaan bersatu, dimana yang kuat semakin menindas yang lemah, dimana manusia telah melupakan ajaran alam bahkan eksploitasi besar-besaran dan tidak peduli pada keseimbangan alam sekitarnya, maka, batas antara cerita dan benci sangatlah tipis, dan setiap jerit kesakitan dari penindasan akan bersatu dengan kemarahan alam untuk membentur era baru... atau bahkan mungkin menuju kehancuran...?*

Harder, PO Box 1726 Bandung 40131 Indonesia.

TOTAL DESTROY 'FUCK ALL OF YOU' EP KASET (MOVEMENT RECS)

Band2 punk Indonesia memang agak gemar dengan rentak punk sekitar 80'an dan terdapat juga tambahan had laju drum yang jadi-kan ia makin bertenaga. 4 anak muda dari seberang, telah mer-ekodkan 7 lagu dalam EP ini. Ses-apa yang berminat irama-irama punk punk mohok ini adalah pilihan terbaik. Sayang, tiada lirik di sediakan.

Movement Recs, PO Box 63711/JKSGU, Jakarta 12063, Indonesia.

4 ELM KIDS 'THE SOUND OF LEAVE FALLING' KASET (CRASHOVER)

yeah! Aku memang exited gila nak review tape ni dalam donut! Sebab band dari Ipoh ni pandai betul bikin lagu-lagu rock. First sekali dengar - aku dah terbayang Weezer dalam kepala otak aku. Yang aku tak tahan tuu - bunyi keyboard yang memang masuk betul dengan lagu-lagu yang diorang bawak. Ni - kalau awek-awek dengar ni, memang jatuh cinta terus. Tabik kat Zahid dan kawan2 atas kaset yang begus sekali. Tak sangka pulak si Zahid ni merdu suaranya. Kaset ni memang harus di miliki (ayat berbentuk hasutan). Sila tulis surat kat lebel dia. Aku dapat ni pun dari John (orang Ipoh tapi study UTM skudai).

Crashover Recs, 137 Lorong 19, Tmn Seri Kota 2, Taiping 34000, Perak.

GRIND Fucker -DEMISOR/EXTREME DECAY: SPLIT KASET (GRIN-KONRR)

Demisor datang lagi dengan 8 lagu-lagu rancak. Kali ni dia main lain sikit tapi still mengekalkan sound Demisor yang kita dengar sebelum-sebelum ini. E.D. pulak ada 12 track lagu-lagu grind yang berat-berat. Kalau tak silap aku kebanyakan track dalam split ini di gunakan dalam CD mereka yang di keluarkan oleh label US. Band dari Indon ini memang aktif dengan banyak material-material baru! Beli atau pinjam dari kawan!!!

Grin-korr c/o Amirul, 201 Toa Payoh North, #07-1057, S (310201) Singapore.

DAMOKIS 'NEVERMIND THE BASTARDS HERE'S DAMOKIS' KASET (DIY)

Selain terdapat kilang-kilang dan juga perlabuhan yang sibuk, Pasir Gudang juga menyimpan sebuah band Grind yang di beri nama Damokis. Demo pertama ini memberikan 15 track muzik grind yang berbau metal - bila dengar part gitar dia. Apa yang menarik di sini terdapat macam-macam sample bunyi yang bukan-bukan pada hanpir setiap lagu. Ada bunyi muntah la, pompuan jerit la semua sound2 sample tadi ada adalah original dari band. Tah macam mana diorang buat pun aku tak tau. Kretif dengan idea baru. Sound demo yang agak bagus walaupun hanya menggunakan 4 track recorder. Walaupun demo - tapi cover full color tuu!

Damokis c/o Fauzi, No 43, Jalan 8/20, Perjiranran 8. Tmn Air Biru 81700 Pasir Gudang, Johor

8 buah lagu di tampilkan di dalam reh demo ini. Muziknya Shortsited lebih kearah rentak punk klasik bercampur vokal yang yg aggrasif! Terdapat banyak sampel pada kasetnya lagu menjadikan ianya lebih menarik. Track yg best adalah Kemusnahan dan Kehancuran dan terdapat juga cover satu lagu dari Crass. Try hubungi kumpulan ini untuk dapatkan reh demo ini.
c/o AS, 158 Jalan Bakri, Batu 2 3/4, Muar 84000, Johor, Malaysia.

PROTOKOL 'MOMMY SAYS DON'T TALK TO BASTARDS' KASET (PURE MIND RECS)

Kesemua 18 lagu telah di rekodkan pada tahun 1998. dan aku hanya dapat kaset ini pada tahun ini. Ok, dari segi muzik Protokol berjaya terapkan unsur HC/punk yang berat-berat bersama-sama rentak grind yang seimbang. Cover kaset yang berwarna merah dan kemas. Sound memang raw! Harap-harap orang Kuala akan terus aktif macam warong laksa 'lubok'!!!
Pure Minds Recs, Lot 267, Kg Che Zainal, Tambahan 1, Chemor 31200 Perak. M'sia.

DISRUPTED 'SELFISH TO THE MAX' REH DEMO KASET (DIY)

Satu lagi reh demo. Kali ni datang-nya dari Shah Alam. Biasa la kalau standard reh ni jgn la kita nak harapkan bunyi yg power + rapi sound diorang ni kira bagus la kalau ikut standard reh tape. Susahla nak terjemahkan diorang ni main cam mana. Kejap slow, laju - tapi pada keseluruhan diorang nampak suka main rentak2 melodi + rock, dalam kesibukkan mencari sound-sound laju. Tidak ketinggalan jugak booklet mengandungi lirik, etc. Harap-harap ada berita terbaru dari kumpulan ini.
Khabir, 511 Blok 18, Jalan Merak 6/3, Shah Alam 40000, Selangor, M'sia.

VOLITION / UNKNOWN - SPLIT KASET (DIY)

Volition pada kali ni main grind crust yang ganas dan laju dari segi vokal nyal 'Terengar pulak kat vokal Desecrate. Unknown juga main lebih kurang sama Cuma mungkin agak kurang pada part grind. Part vokal memang rabak. Memang ngam diorang ni split! Try contact kecil untuk dapatkan reh ni sekarang jugak!
c/o Kekik, Bk 511, Woodlands Dr 14 #09-65, Singapore.

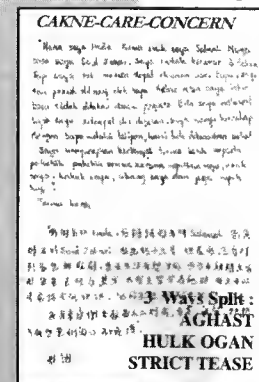

DIRTY EDGE 'ENTER THE ZONE' KASET (DIRTY MUSIC CORP)

Band hardcore old skool yang power dari Indonesia. Aku tak berapa tangkap vokal dia nyanyi dalam english ke atau bahasa sebab takda lirik pada cover.

ernya. Tapi muzik diorang memang setaraf band-band luar. Sound recording pun bagus. Ada 10 lagu ter masuk intro pada kedua-dua belah kaset.
Dirty Music Corp, Commando 2 No 37, Jakarta 12920 Indonesia.

CAKNE-CARE CONCERN - 3 WAY SPLIT KASET (RONIN DISTRO)

Kesemua track dalam kaset ini di rekodkan live kat gig Dog Rohock Mane Doh pada Nov 99. Kualiti sound seimbang dan terang. Ada band Hulk Ogan, Strict Tease dan Agahst. Idea comp tape ni memang jarang di buat orang tapi Ronin telah berjaya meriliskannya dengan jayanya. Aku dapat tape ni pun dari Mat Pang.
c/o B783 Bonggol Limau, 21200 Kuala Terengganu, Terengganu, M'sia.

DISTRUST 'AFTER THE WAR' REH DEMO KASET (DIY)

Ini adalah rilis pertama band dari Singapore. Keseluruhan 8 track yang total raw D crust! Takda apa lagi yang aku nak terangkan mengenai tape ni Cuma aku memang sentiasa menunggu apa juga rilis band ini pada masa akan datang.
c/o Magua, Blok 258 #03-358 Hougang Avenue 3, Singapore (530252)

ME AND MY DEAD 'VERSION 2.1A' REH DEMO KASET (DIY)

Waaa! Muncul sebuah band noisecoregrind yang main laju gila babi!!! Memang enjoy betul la tape ni. Aku dapat tape ni dari Saha. Mungkin band ni dari Kluang sebab takda alamat rasmi kat cover dia. So, diulangi sekali lagi - band ni memang patut korang contact untuk dapatkan reh ni.
Azrin.k@rocketmail.com

MINUS 'FREEDOM FOR WHO..' KASET (DIY)

Aku betul-betul respect kat band Minus sebab diorang still wujud sampai hari ni. Minus adalah antara band punk yg paling lama berada dalam scene M'sia/S'pore ni. Ok, agak tak terlalu lambat untuk aku review tape ini. Tape ni ni rilis yg beberapa pun aku dah lupa. Minus still kekal kan style diorang dalam rilis ni. Dan lirik pulak cerita pasal perang, polis, etc.

DEMISOR / CLUSTER BOMB UNIT - SPLIT LIVE KASET (MANIACAL BRUTALITY)

CBU memang dah terkenal dgn style crust yg macam-macam. Ada 18 lagu dari CBU. Demisor pulak macam biasa dengan grindcore yg sgt laju menjadikan hati aku jadi tak tenteram!!! hahahah! 17 track dari demisor. Split tape di keluarkan oleh label dari Latvia.

of nearly two meters. In the late 60's, a massive flood attack the village that left the villagers with only cloths on their body to kept them warmed for couple of days. Heavy rain with lasted five hours came pouring down the night before when the villagers were fast asleep. The water had risen so quickly that by morning, ninety percent of the village

As a symbol of her undivided love he painted the living room wall yellow. That was her favorite color.

had submerged underwater. When the water cleared-up, the bridge was left untouched and by the end of the week everyone had agreed to build a new bridge on the other end of the river and leaving the old bridge on the other end of the river to serve the people as long as it can. The old bridge was intended to be temporary, expected to last only for a couple of years but the wood refused to die and seem to bond well with the soil, it had grown roots and sucking energy from trees all around it. Now, it has been replaced by a bigger bridge that has brought in more cars and public transportation to the kampung and making it easier for the villagers to sell their fresh vegetable and fruits without it turning rotten before it even reaches town.

Pak Su's house looks stunning from the old bridge. It was build on a piece of land that can't be more strategic that this. It situated just seventy meters from the river and just behind it, tall fruits trees guarded the house giving it more character. It gave a beautifully balanced to its modern structure with the green surrounding and traditional setting. Rather than building a two story

house that would look really silly in a very traditional village, he make sure that the house will blend in with nature but still be able to make an impact to the surrounding. He builds the first modern indoor toilet and the first person to have color television in town. He is the first person to build a fence around a house that would seem like unnecessary before

Mat over and over again. He tries singing some old folk song, hoping the words will go away, but to no avail, it sticks to his brains like a rotten chewing gum on a brand new shoe. The words doesn't event go away but getting louder and louder. He's sure people will talk about it for weeks, months even years to come. Some time ago he remembers that his son has told him about something like this would happen. Don't easily trust strangers, in some case, even relatives. People will talk eventually and now all his words echo as Mat voice is the reminder of the mistake he just made. He went straight to the bedroom. He takes a pillow and put it across his face, hopping thing will be all right in the morning. It wasn't that easy as. As he closed his eyes, his past flashes in front of him like the trailer of Anakku Szali. It have been a hard road for him from the poor kids that someone never have any hope for to someone where he is today. He is content with the things that he have today with enough fortune to keep his family together.

Mat has been very close to him. Almost like his own brother. His daughter has told him again and again that he can't be trusted. He is not the kind that stole from people but he have a big mouth that can't seem to hold any secrets, surely the whole kampung will know about it after only a couple of hours it was told to him. Surely, that was the case today. He doesn't have any brother and even though he has many

good friends, Mat seems to be the closest friends he has at that time. Not because they have a very close knitted relationship but being someone that work for him, Mat seem to be around whenever he wanted someone to talk to. Not to mention Mat is one eager listener, like many other busybody gossipers, he reckons. But there is nothing worth keeping a secret from as this one. And when he is ready to share it with someone, well, he just pick the worst person to bare it all to.

When the morning came, Pak Su found himself lying on the sofa at the front hall. He doesn't know how he got there, maybe he was sleepwalking. Who knows? He can't believe that he can even get a quick nap with the headache he has last night, his head felt like it will burst. It was nearly ten in the morning, the sun have been trying to wake him up by poking its rays through the front window. He gets up to the fresh aroma of curry, his favorite meals. He feels the morning air is just too chilling for him and wrapped the blanket around his body then walk to the toilet, looking at his sorry face. He sure need a shave but he couldn't care less and went to the kitchen without even washing his face first. He sat oh the diner table with his face facing his daughter's back. She

curry as his wife passed away when Ila, his daughter was only 3 years old. In their early stages of marriages, his wife would cook it specially for him twice a week and she will only eat together with him, even when it was late at night when he arrived home from work. She got a very nice oval face that he never thinks anyone can be bored to look at. With that special curry, their marriages were bonded together tighter and tighter that at time he wonder how life will be without her, his lovely wife.

She was very much opposite of him. She came from a rich family that seems to have anything in Muar. She went to the nicest English school in town in a nice car that in those times can be called a Ferrari, even if it was only a Morris Minor. His father is a well-known English educated accountant working with the government, complete with chauffeur, gardener and all that. Her mother was a traditional housewife that knows the important of proper education and full with Malay traditions. Pak Su's late wife doesn't have that much friends as she was growing up but being raised by a maid that emphasis on strict Malay traditions and customs, she seem to fit well with the chauffeur and gardener's children. She would share whatever she had with them and even teach then

to read and write, even taught them how to speak English. Her mother would hired a piano teacher to teach her Beethoven and Bach in the morning and in the evening, she would have all the time to herself. There where she develop her love for gardening.

Pak Su's father was a farmer and owns a small piece of land a couple of miles from her late wife's house. He

originally comes from Malacca, working as soldiers and met her wife when he was posted in Ipoh. He was wounded in training that had forced him to leave the army and it also leave him limping for the rest of his life. Besides many kind s of vegetables, there are also flower plants and fruits tress in his orchid. Being poor and only owing such a small piece of land, Pak Su's father tried to squeeze all kind of vegetable and fruits tress on the land. Even though it was small, the land flourish to be one small heaven that manages to support the whole family in those hard and trying times. The whole family work hard for it, they would be up at the break of dawn, doing their chores, with one tradition that Pak Su's mother made that must be follow. That is the whole family must have diner together, every night no matter how busy they were. Pak Su's was the forth youngest of nine children. Four men and five women. The eldest was Johar, 26 years old. He was married to the daughter of his father closest friends, who have come together from Kalimantan to make their fortune here. The second was Lela, a sweet person that like to keep thing to herself. She didn't talk much but her distinctive laugh is something to look forward to as it very weird not to mention very contagious. She was married when she was only seventeen to Alif, a hardworking fishmonger that live just across town with their little two year old son. Then there was Siti, the funny one. She was the only one that can make Lela laugh her silly heart out, making faces and imitate people voice that would surely make the people he imitate laugh at her jokes rather than cursing her. Yati was only two when she got high fever leaving her near blind and having some problem talking. She was the closest and most understanding

keep it deep*

Hay Fever (I'm Paddy King)

The hay turned to stone that summer
as virgin ground cracked
by heavy machinery we followed,
where stones lay we reached and picked,

reach and picked on dull days
loading endless trailers.
I asked if a machine existed to pick.
The men shut me up, whispered out redundancy.

Our relief was the landowners beck for the break.
The men's face tried my pace
I, not rushing to another field to reach
plastic orange crush containers into a clear stream.
I made tea of it,
The land-water's tea was special,
as the smell of smoking men,

their cigarettes marm sucked away the breeze.
My burst hands were soothed by a first love,
first money affording the 'pictures'
where I kept nodding to sleep. She wanted
to come to the meadow, I fumble to explain
that the men didn't take their women there.
This memory doesn't include sunshine,
just the sun in the heart of bursting back
from nature what she
had quietly taken back.

This work was of my forefathers,
and immediate ones,
making it worthwhile.

The Land stands enriched.

The Fish King

Were the fish as bored as I?
What did they do other than
swim round there?

I stood in squelching wellies
my small rod pointing the water,
a smile pushing my face,
hating this crap
wanting to run around
like I usually did, like
the girls, younger brother now,

But I was big, the eldest,
must keep up the show
two generations of fisher-people
here, proud over me on this bank.

They knew it wasn't for me
when I didn't excite
at the small trout
I produce. Like about Santa Claus
I kept my mouth shut, not fooled
that he had been placed
at the end of my rod
when I wasn't looking.

Military Road

Aerial photography from a strutted bi-
plane
No doubt made the outline of its route
Perfect clear at the time. Even now

This military road is by a long way
The easiest track through these mountains,
Much safer than the cliffs and gorges

And snakes its way right over the top
To the high plateau where, among the pines,
It arrives at a squat, crumbling fort.

From there, steeper paths will bring you
down
Quickly to the villages, the rows of crosses
With small brass plates, in many languages.

Holiday Poem.

The cheek of you, leaning out
To open shutters and pour sunlight
Over last night's wine and clothes.

The marsh where yesterday
We gathered sea-lavender and caught
The kingfisher's rainbow darts
Stretches in birdcalls below you
Leaning out, bare-arsed over Brittany.

Blithe Newcomers

Just a day or two in Korea, and still
Jetlagged, trying to orientate ourselves,
We take the mountain path, marveling
At the calligraphy, among strange trees,
Of butterflies, jet-black, as big as wrens.

Suddenly, as we reach the summit
And all the wooded peaks rise and roll
Horizon beyond horizon to the east,
A familiar, wandering voice, reincarnated,
Transliterating perfectly: ku ku, ku ku

Brandon Is Clear!

It was all the forecast you ever needed:
Brandon is clear! You'd anounce,
Get food for journey. Sixpence in hand,
We ran for bulls' eyes, clove rocks, whatever
Would last us through those long drive
West of Dingle or around the Ring,

I've climbed Brandon since, know its dark cliffs
And cúms, the ambiguities of its mists,
But never before saw it so close, so clear
As it appeared the other day, around
A curve of road, across the water,
Impossible blue against a cloudless sky.

I hugged the wheel, still desperately praying
You'd had clear skies, sweets for your journey.

off all of Pak Su's siblings. Maybe it was
the small age different but she seems to
have an ability to know whenever Pak
Su was down. Pak Su talk to her more
than most of my brothers and sisters,
even my most intimate secret with great
ease. He couldn't care less that he the
one that mainly do the talking, maybe
that was the reason that they were closed.
Then there was Ali, Nur and the young-
est Nora.

Sabtu Ali, Pak Su's father
who came from Kalimantan to make
a new life here, was an old man hard-
ened by the hard and sometime unfor-
giving life. His skin was sad, with the
bones exposed and he had a full wavy-
white hair. It was raining all the way
from Kalimantan to Melacca and already
hit by influenza just the night before
the boat departed, he never thought
he would life to see Malaya. His body

was hot, shivering on one corner of the
crowded boat, he imagine being dumped
alive into the sea and being tear apart
by sharks to bits. The round white moon
looks red with orange patches that made
all the people aboard sweating bullet
even at 22 °C. That night he had a
dream, a sweet dreams that his hands
were glowing and holding a silver cup,
he drank the water and all of the sudden
his body felt great and alive. And as
he woke up, the boat was already half
empty with people already making their
way out off the boat, to the promise land.
He originally planed to return home
after he made some fortune to marry
his fiancé in Kalimantan but he Met
Rubiah, which had altered his planed
all together and decided to stay.

Living with Rubiah proved
to be the correct choice as his fortune
turned for the better and Rubiah had
proved to be a wife that very loving and
hardworking. Coming from a very poor
family herself, she know the important
of hard work and the value of every
single sweets of a hardworking and sin-
cere person will fertilized the land and
its harvest can be enjoyed for genera-
tions to come. He thought he children
to wake up early at the break dawn
and pray the subuh prayer together with
their father as the Imam, praying for
the blessing of Allah and to make today
a much better day than tomorrow. She
would make sure that her children had
their breakfast, even though if it was
only boiled sweet potatoes.

Everyday, Pak Su will cycle
seven miles with his father to town to sell
their harvest. There was where they first
met his late wife, walking beautifully,
clad in white kebaya with small yellow
roses, with the most beautiful and shini-
est hair he has ever seen. Every Sunday,
accompanied with her maid, she would

come with all the smile in the world, waking through the market looking for this that would in interest her. And one on faithful Sunday, with a rattan basket in her hand she stopped in front of Pak Su to buy some fruits. Her voice was so beautiful and angelic that it mesmerized him to look at her until she was lost among the seas of people. There was something about her that in the followings days still leave a deep in relenting urges for him to know her better. It was just the other day that he heard a new wet market was going to be built near the old market, where people selling fried noodle, traditional remedies and fresh seafood side by side, chatting in the same language but in a very much different accent. Pak Su's regular customer, an old peranakan told it was the man in the big bungalow near the junction of the main street to the market who pushed the government to build a new wet market here. Maybe it was because of her beloved daughter love so much to go and mingle. It something that make you wonder. On whether it was the right thing to do, and how far will someone do for love.

At the same time, Pak Su was getting busier by the week as his sister starts schooling and he has to cycle twice the distance he had to go through previously. But it was worth it and it has been a new ritual that he really looking forward to and the glimpse of that girl with shiniest hair brought a new shine to his life.

2

This is a story of a young boy who finds life very difficult and went about searching for someone that could answer all his questions. He was a nice boy with the nicest face and the whites

teeth any mother would be proud of. His mother taught him well and to behave nicely to others, lower his voice when talking with older people and never took other people belonging. When he asked his grandfather why some people are poor and some are rich, he just laugh and asked him to look at himself in the mirror, no one is the same, his grandfather said. Nothings are identical, not even a Siamese twin, so no one fates are the same. He ask his mother about his father that he had never met since he was little and ask will he be home for Christmas this year. His mother just stay silent, turn away to the window where from the corner of her eyes, he can see a glittering teardrops making it way down his mother smooth cheeks.

On a beautiful Christmas eve, the boy woke up early and went straight to the Christmas tree to take a peak at the boxes of gives under it, shaking every box hoping to get the train set he had been wished for the last seven month. There sitting on the sofa was a man holding a very big box. The boy just stood there as the man slowly unwrapped the box, he took of the little ribbon first then put it on the side of the sofa. The boy went closer and smiled when the man slowly open the box, that just as the boy had been hopping for, a train set, still wrapped in plastic. He hugs the man and laughs his heart off. What a saint this man is and he can be no other that his father, granting his wish on the Christmas Eve. Last night, before bed, he wish for a white Christmas, wishing school will be out for another five month at last and Santa will make his house his last stopped so they can have milk and cookie together. He even read out his two pages long list, twice so nothing will be left out. He doubts he will come because he never

believes in Santa Clause. He is a weird boy because he never believes in Tooth Fairy and Santa Clause. But nonetheless, he kept a list of question to ask them in case they do exist.

As the snow slowly filling the green lawn with its cold whiteness, he felt the warmed of the stranger's hand creeping from his hands to his belly. He kept silent and closes his eyes, confused and don't know what to do, even what to feel about the whole thing. Suddenly, he felt the stranger's body was tilting on his side and off the chair before making it way to the floor with a thump. He quickly stands up and behind the stranger, his mother was standing holding a frying pan in his hand, still shocked and in a state of fear, she dropped the pan and hugs the boy and he can see on the left hand of the strangers was a big shiny gun, with his index finger still waiting to squeeze the trigger.

"Well, why is it that in every story someone has to die?"

Sham looks at the rearview mirror. He swear the he saw that girl with the bicycle before, just can't remember where.

"I don't know. It a circle of life. I guess. Death and birth." Shamsul remember reading that tragic Christmas story at the back of his father's car, just like this one. It was something he took from his uncle's desk after his uncle notice that he love to read and ask him to pick any book in his house to accompany him in the car. He was the only child and it can be lonely at time, especially for eleven years old. It was a thin book with six short stories by western writers. He picked it up from because of its colorful cover. He still can't believe it that he hasn't finished reading it after all this time. He was cleaning his room

Night Of Isolation

Hate defines my ugly side,
Darkly sweet, lustfully delicious.
Red-glazed demon eyes glare back
From deep inside the mirror;
no laugh lines on lips grown cold,
Turned down at the corners.

A scream builds, ready to break.
Heart pounding, white-haired agony;
Burning, boiling rage-crazed pain
cries out for release, revenge.

Let me kill something, anything
Ro lessen my tortured anger
Before it's to late, before I
BOOM! Into a thousand pieces,
A human hand grenade, poised,
easily triggered, decidedly lethal.

Should others suffer from my decline?
Why not! I do because of them and
I don't want to go alone
Into the long goodnight ahead.

A Prisoner's Purgatory Psalm

I languish, filled with bitter sorrow,
Wallow in mud of rank despair,
Sunk to depths of tortured agony,
Trampled thoughtlessly time and again.

I listen as a man cries out in pain,
His sadness a moment's distraction,
Sideshowes in cracked circus mirrors,
No reality, nothing but loneliness.

I watch my time's immortal passing,
Minutes spent as if none remains,
My last supper savored day in, day out,
a lone disciple at a table of none.

I live a sense of something waiting,
Vivid, a child's nightmare remembered,
Bad dreams in darkness, all too real,
Until I discover I'm really awake.

*I gave the devil a Popsicle.
It melted right away.
That made him cross.
And that is why I sit in Hell today.*

*But, it doesn't really matter.
The last laugh is surely mine.
For as he watch the 'side melt,
I painted his behind.*

*Now, when he comes to torture us
In payment for our sins,
Each time he turn his back,
There's chuckle, giggles and grins.*

*Even in hell there's humor,
Spiced with a bit of sass.
We all find it quite amusing,
The Devil's painted ass.*

Inquisitive Nature.

*Born with an inquisitive nature,
I thought that I would ask,
Pardon me, love, but did u know
There's a tattoo on your ass?*

*That's a beautiful bunch of roses,

And, that 'Property Of George' in the

As a frown came upon her face.
I believe I rightly took it
As a question out of place.*

*Oddly enough, I was shown the door,
And, as I descended the stair,*

*My "Hello, George" to the man I met
Was answered with a glare.*

*Whether that was he or not,
I'm unsure to this day.
But, ever you find a tattooed ass,
Mind you what you say.*

Wandering thru The Wilderness

*Wandering thru the wilderness,
Somewhere east of Nome,
I chance upon a cabin.
"Knock, knock, is anyone home?"*

on the table lay a note.
Curiosity aroused, I read it.
This is what was wrote.*

Heed the words you see.
Then, hopefully, you'll end up
Better off than me.*

Don't feed an angry bear.
Don't drown a fire with kerosene.
And, never put rattlesnakes... "where?"*

*Well, this hunting knife, it'll stay clean.
Disgruntled bruises shall get no treat.
Scanning the room for kerosene,
I decided to have a seat.*

Revealed a fatal error.

one day and come across the book and decided to bring it along the journey.

"When was the last time you were here?" Ask Zaini, still reading the thin book. He laughs looking at the little scribbling at the back of the book, 'Property Of Shamsul Mahat-stealing is bad!' the writings are in pencil and made up of words that were written by some dyslexic kid. It even looks like a left-handed boy wrote it with his right hand.

"When I was eleven." The car took a sharp turn and then halting just before another turn.

"Does this look familiar to you?" Shamsul look out of the window and then looking at Zaini. They look at each other. It not like the town was so big but the roads have no signs, leaving them with their commonsense and male ego to make decision. The rain had stopped leaving the road wet and slippery. What more brutal way to die that in a road accident, with body stuck between smashed cars and body part everywhere. That why his mother doesn't like him riding a motorcycle.

"Kind of familiar. I don't know. Why don't we ask someone? It is getting dark. You sure his house is around here?" Zaini just looks at Shamsul, waiting for the next words to come from his mouth. It was his journey, he said to himself. He's the one that should make the decisions.

Shamsul look at his watch and then took a piece of paper out of his shirt pocket. He opens the car's door then walk to the sundry shop where a young Indian boy is sitting if front of the shop, with a toy pistol in his hand.

"Hello. Where's Appa?" Shamsul ask the boy. He run inside the house and then come out with a man, maybe in his forties.

"Yes, what can I help you?"

The man extended his hand. Shamsul smile and the two hands meet. He gave the man the piece of paper.

"I see. You just miss the junction to this house. You turn back to where you came from and at the first traffic light, turn left and then just drive straight. There you will came across a

primary school."

A primary school, yes, now I remember, said Shamsul to him self. "Of course, how can I forget? Thanks uncle." They finally shook hands again as Shamsul, smiling run back to the car.

FACULTY OF LIFE

The other day I told a friend that I was going to medical school. Suddenly her face changed like a trailer runs over shit twice. Gosh! Why medical? You go to medical school just to torture yourself? I never ever thought of enrolling to medical school would basically be the same as taking myself associated wit ragging and torturing your body and soul.heh..That's what MBBS stand for- mind, body and soul torture-men.

I thought it would it would be like, well, you enroll to any other faculties and generally just learn whatever you've been taught. As simple as that. Later you just have the pleasure on your own. Nobody cares if you pogo all night long while having to sit for a test the next day, nobody gives a spit when you increase the radio volume at night times while everybody else's sleeping (I would mind that too).

Until this very moment, I haven't got a clear reason why I want to take up medicine; I go to classes aimless, I wonder am I wasting my time here? Last time I had some reasons, vague ones of wanting to go to medical school. Gosh, they were all embarrassing and hack, I'm writing all those here (?). Some of the reasons are just simply the compassion and love for my own fellow human being (man, I could always done this out of the faculty, why trouble myself so much?). There's a desire to help others, a belief that medicine is a way of doing something valuable and worthwhile in my life and surely to others too. And there was this feeling of wanting to be important to others too (gosh, this is highly embarrassing) but hell, I'm just speaking my mind. I somehow always tune my mind to this phase, 'if you dare

to think, to imagine, so why don't have the guts to spill it out?' writing this zine is just one of the form of shouting what's inside m. I think that explains why I look like someone who talks all the time, but heck when the time to talk reaches, there's no voice comes out through the oral cavity. 'So brave and yet so voiceless,' that's the name I got from Ircing.

Last time I foresee excitement; glory and high drama and now what I imagined are just true. Gosh, maybe those times of picturing future things are merely hoping, praying and somehow they come into reality. Maybe above all the vague reasons, I'm attracted to the challenges, maybe I'm a product of working under pressure. Like what I stated, the true though that I work better under pressure. Like what I had stated, the challenges got me trapped in this medical school. Some people may think that once you're called as a med. Student there lies nothing in front of you except books, exams, pressures, books (again), burnout mental breakdown. And all these can be classified as one; no life at all! Maybe somehow my enrollment in this faculty is just the need to prove that there is no such thin as pressure, mental torture and yadda yadda. Then the self-worth takes in place. You can never compare yourself to others or measure your self-worth through accomplishments or else you'll end up feeling inadequate. 'Sampai mati pun tak pernah rasa bersyukur kalau tak reti bersyukur dengn ape yang kita ada,' my sister always told m that when she obtained 26% in her add math test. He he she just said that luckily she got some rather than 0%, but bersyukur in' just enough, work for I to a better state but no to the extent of forcing yourself into it. Haven't you heard perfectionism just leads to burn-

out? It's just the same when you're being criticized. Then someone criticizes you and ask for clarification, you defend, justify, explain and attack1 (?) is this what you mean by being negotiable? Is that what we say unity that prevails in the scene? This is what we call the crack of the minority! 'Dah le sikit je yang sincere, shout under one flag, tapi hampeh still backstab and do those kinda shit,' I wonder... I wonder. Criticism isn't exactly pleasant but get used to the idea that it doesn't imply inadequately. Learn to use it. We my not see 'sampah dalam mata sendiri,' so somehow criticism are just healthy. I had some trouble to and may have the trouble of being criticized but I'll try to be very process-oriented. There is so much to do than studying and thinking while being stucked her in this remote town in India. But somehow I don't let feeling and intuition atrophy; I don't wanna be such a nerd.

I'll be a doctor who still listens to the Queers, the Cure, and System Of a Down..he..he. And maybe I'm still available for gigs during this 6 years time. Am I too old by then to go for gigs? Heck. Never feel old at doing things. Do whatever you feel right. And who knows, I'll end up like Che Guevara, a physician but still actively involved in politics arena and upbringing society. The passion for it may prevail years later though I don't feel it now. I can assure that. 'We who are not as others' is somehow a good principle to live your life with. Just listen to your heart... your conscience is just as good as mine.

Her Space

*The last time I notice them
was here in the garden of this mountain pub stop
looking out over the city.*

*Side by side on that stone bench in the shade,
the hawthorn canopy a scent of bloom
around their world.*

*Their touring bikes, old his and hers reclined
against the lower greenery. I took
their order for his pint and her sherry;*

*They enquired of chef's delights
And winced at the trespass on their journey
By escapers from the city.*

*Now only his bike stands against the bush
as if knowing its master needs to make
this trip to linger on his side of that*

*stone bench, her space on his right empty but
for a sherry on the rocks. He sips his
pint, a part of the scenery, hair now*

*the color of those hawthorn blooms.
He contemplates her drink and waits for ice
to nested with her lemon. He ignores.*

*or does not hear the laughter and the noise
that babble round the table in the sun.
He takes her glass and raises it as if*

*it were a chalice. I adjust myself
to auromatic mode, take orders that
a little part of me can handle, while*

*I observe a touch of glasses as he
tastes the drink she would have savoured had she
not died when hit by a joyriding car.*

*Another city convoy roars into
the carpark. A lady takes her baby
from the tattle of the tables
to serenity beside the quiet man.*

*She does not take that empty space
that's full of another woman, but*

*curls up to feed her baby in a
canopy of hawthorn where a fragrance
lingers in accord with heaven.*

Perspectives

*Do I feel breeze
where Art and commerce weer
when they meet on their opposite ways?*

*Sandal-footed creators,
and well-healed purveyor of profit
look up, look down, look out*

*and sometimes in
at their mutual perspectives.
And then entrepreneurs*

*pick up surviving work
of striving prophets
and covert it*

*into assets
in a value system
foreign to the creators dreams*

WashAway

*Morning's horizon swallows the land.
Our boat plays
In wind and waters
Where sky and ocean meet,*

*Making us small in their vastness.
Small boat, waters teasing.
Small people, wind breezing.
Former troubles adjust
To relativity.*

*Rise and falls
Onward fro.
The past washes in, the b,
The future dances in the flow.*

Snatch Of Beauty

*He trills
intricacies of music,
lilting, teasing,
he soars,*

*Lures my eyes
into the firmament
away from his nesting spouse,
giving his heart
as nature orders.*

*A tiny throat,
angelic speck against the sky,
exalts the moment.*

*A falcon swoops
into innocence,
plundering song
from heaven's music.*

*Reprise in feathers
rising, falling, billowing.*

*A breeze
whisks my anguish into knowledge
of predator insensitivity
to the sound of beauty*

Along The Wall.

She stands at avoidance, flattened along the wall,
stray hands conformed by stone's harsh stability
between inward and outward corners, peering side-
ways now and now, neck poking like a hen's sighting
around the edge. But does not contemplate what she
looks for or guard against. Its second nature,
the first erased out of mind by clockwork fingers:
not to, not to. Any edge is a precipice.
she peeks and back. Someone is coming is someone
coming? Her cry our is uncertain: she guesses
nothing better, someone might come, no one-one to help.

Being Private in Public

You habitable life demolished by that choice-
had you ever much choice? And afterwards certainly none.

Various ways seemed (yes) variously open

the way of the desert, sand desiccating
to seek your original dust (scaly heads
snapping eyelids) and a hermitage among piles rocks

or the mountain track (at distance a Chinese painting
but underfoot yellow mud among dark trees
and bright cocked eyes) consuming your salvaged pack
to climb at last free to wind-hammered hut

or to carry your books and a couple of bags to the car
drive to where you are going, shut the gate
(face turned, once again being private in public
shrugging away from bright lenses cocked in the street)
shut the door and hunt for keettle and matches
in the sudden huddled silence of a strange kitchen

various ways bracketing
to one urgency: to arrive at stunned stillness
where fracture stones may knit from the dark cellar up
rising a double helix of wall and stair
you explore as it grows, learning to trust this step
after step till it tower to an upper room
of new symmetry, a landscape, a quite sunlight.
Which is the way it always intended to be.

The Discipline Of Noh - Fore Peter Fraser.

We observe his hair
is cutting his hair
shorter and shorter
mere furring
over the sutured bone
Closer to earth
closer to air
he moves his distance
among us
himself migrating
from secret brain to spine
taking less space
touching less floor
nearer to fire
nearer to water
he flows like electrons

When he speaks
his hands flower
small graces of meaning

a deaf child's dream
His skin is mere decency
over dreaming and sinew
We observe
he is nearing
nothing but dance.

Fat Chance (she say)

Fat chance you'll catch me
again
behind the shop or
in the evening bus-shelters
between zipped leather
and clever hands
Fat chance you'll catch me
between doeskin chest
and sweet-hair arm
slamming together
onto the mattress
like two struck trees

Think you'll find me
caught yet now between
your just this once
and a stinking bag of nappies?

In cross-section
I've too many rings of
years of
fat chances (count them
why don't you while
you're drilling that core)

Do you believe in love at first sight? My roommate shrieked. Nooo! You see a drop-dead stunning girl walks down the street and there goes guys whirl around. Jaw dropped inviting someone is somehow a memorable occasion, but what if you fall out of love? enlarges by 5 cm and suddenly What if the person you love, you wor- you hear someone says, "I'm ship doesn't feel the same sensation

I still grad hold on the phase that goes.

'Beauty is in the eye of the beholder.'

in love." Aww, gimme a break. You call that love at first sight? Kiss my ass! No, it's not. Believe me. It's just a crush. See how things are unfair nowadays? Beauty matters but somehow I still grad hold on the phase that goes. 'Beauty is in the eye of the beholder.' Maybe there's nothing wrong with a guy saying that he really fell for a plain moronic girl like me. Maybe there is such a thing as love at first sight. But to be frank, I haven't encountered anything like that. I wish I could, but it's that question that kept bugging my mind. "Is this the one? Is this my future husband? Was the one who smiled at me just now is the one I'm gonna end up with?" See? These kinds of questions haunt me every time

a guy come near me. So it seem that I stand a slim chance of encountering right one.' What a consoling statement after being dumped!

Keep the option open. Yah! That's what I'm doing now. But what if tones of options start pouring in? Crack you brain just to choose one? Gosh, this is unfair to me because no one dares to come near me. Meaning no options at all. My grandmother used to say, "belum jumpa jodoh lagi," that's the typical lame reason of not getting married. What do you mean by 'belum jumpa?' the jodoh come to get you or you go and search for it?

What if the jodoh has died? Are you gonna live your bachelor life till the end? Gosh! People just can't get off the track of life I supposed. Love. Marry. Get kids. Die. Maybe you wanna spice up your life a bit like, err, be a divorcee after a week of marriage? Or have a scandalous affair with you colleague without your spouse notice but it family matters you see. There are ups and downs though. "inikan lidah lagi tergigit," but heck, who want to chew your own tongue everyday? But somehow people hang on to salvage the relationship, the marriage for the sake of kids. But as for me, heartily speaking, I really want to get a real SMOOTH relationship. Loyalty comes above no matter how far you partner is. Even one's in South Pole, the other one is in North Pole

1) *How long have you been together?*
 We've been together for about 7 months now, we started the band in August of 2000, when the school year began.

2) *Tell me how you got together and your band members.*
 Well I knew Ryan Nava for quite sometime, cause I used to be in bands with him. He is our drummer. I knew Keyan Naderi from. Last year and we shared many interests in music. He just started playing bass this year, but he played guitar before so he knows what he's doing. Mark Di Pietro was always in Special Benefits as the rhythm guitarist but he came to practice only twice. We got together every weekend to practice our songs while Mark was playing rugby or getting wasted. Now he is more serious about the band since we are making a CD soon. Just recently Justin Pittman joined the band as our new singer, making it much easier for me to concentrate on my guitar parts. And my name is Paul Leuko, I write the songs, play lead guitar and do back up vocals.

3) *What kind of music do you play? What bands inspired you?*
 You know that's hard for me to say....many of our songs are different styles but I think we would be classified as a melodic punk Rock / emo band. We often have fast drumming and mind blowing guitar parts for all our songs. Most of the songs are about love And relationships and I write each one from my experiences (mostly bad). The bands that inspired us are Lagwagon, The Ataris Strung Out, Saves The Day, Satanic Surfers, New Found Glory, Midtown, Cooter and most of all Rufio. They are the best punk Rock bands in the world! I almost wet my pants when I heard them for the first time. They are not even on record label so don't Bother looking in CD stores. Just go to MP3.com and download their shit. They have a 5 track self titled EP that you can order. It's Only \$5!

4) *Where does your talent come from?*
 Well I think we are all talented and the part I like best is how well we fit together as a band. Yes we do argue a lot mainly me and Ryan, but we function really well when it comes to making new songs. My talent...all I know is I started off learning from my Best friend Teddy, and going one step at

the time from there.

6) *Your views on Pornography?*
 What kind of porn do you like best?
 If you do at all. Hmm.....porn. well I do have lots of mags that I buy from England, they are called Mayfair. It's my favorite mag. I know all of us. Check out porn at times when we are bored, the article are fun to read. Justin can not stop jacking off, he has arthritis in his handsand Keyan seems to be in total daze when he looks at the fine British Models. But over all we don't depend on it or anything, personally I could not care less if I had porn or not, it does not mean anything to me.

7) *Do you feel happier with or without a girl-friend?*
 It depends what kind of girl it is, right now I don't have a girlfriend. I'd like a girl that would appreciate my talents
 And my love for music and not bitch at me why I'm spending so much time with the band. I think that is one of the hardest thing for a girl to understand when she is going out with a band member, he is just as devoted to his music as he is to love and if she does not understand that she's not the right one, at least for me. But right now I know I would feel better if I had a girl.

9) *Do you think having cops and the government is necessary?*
 Absolutely. Let me just say it now, a world without law would be a terrible place. And to all those posers supporting anarchy out there, go fuck yourselves, cause you don't even know what it means. Gotta admit though the sign is pretty cool. And old school punk is long dead " overthrow the government" is no longer the cause of punk.

10) *Do you think education should be compulsory?*

Nobody. Do some thing with your life if you got a chance, and I'm considering myself really lucky cause I got the chance. Some people don't.

11) *suggest a way we can abolish capitalist oppression.*
 What's that?

12) *Have you ever gotten into a fight with a friend for a girl? Would you?*
 Nope, I have never gotten into fights for a girl. First in her eyes both guys would be stupid and none of them would get her, cause putting a girl in that position is not the best thing to do. So it's hopeless to get into fights. No one wins.

13) *would you ever go mainstream?*
 Well I write music from the heart and if people think it is mainstream than let it be. As long as me and the band like it, it doesn't matter. But right now I think that we are somewhere between the genres of punk and emo. The one thing that I would never do os go for money, cause it's all about music for me.

14) *I have headache now, any suggestions?*
 Yeah, listen to Midtown, always works for me.

15) *Thanks for wasting time with me! Any comment to upcoming bands?*
 Yes, always be who you are inside and write music that makes YOU fell god. And if people don't like it, screw them cause you are doing it for you and not for anyone else and if you are, then you're a fucking poser. Less talk, More rock.

5) What got you into noise? Do you make noise for any specific reason.? Noise? Is that what you call punk rock emo? FUCK YOU!!! I'm insulted.

The World Trade Organization (WTO) has been granted spectacular powers to challenge every nation's environmental laws. So far, its victims include dolphins, sea turtles, clean water, clean air, safe food, family farms and democracy itself. But it's just getting started.

In a democratic society, we presume the right to make laws that reflect the deepest values of citizens. But this is no longer the case. With the emergence of the World Trade Organization (WTO), democracy has moved to the back burner. It no longer matters what democratic societies want; what matters is what global corporations want, as expressed and enforced by global trade bureaucracies in Geneva.

Created in 1994, the WTO is already among the most powerful, secretive, undemocratic and unelected bodies on Earth. It has been granted unprecedented powers that include the right to rule on whether laws of nations - concerning public health, food safety, small business, labor standards, culture, human rights, or anything - are "barriers to trade" by WTO standards. If so, the WTO can demand their abrogation, or enforce very harsh sanctions.

Here's the tradeoff: Nation-states and their citizens sacrifice their democratic rights. Corporate interests gain them. Commercial values are the only ones that count.

I. Against the environment

The very first ruling of the WTO held that regulations under the U.S. Clean Air Act, which set high standards against polluting gasolines, was non-compliant with WTO rules. It was ruled unfair to foreign oil companies that produce dirty oil. As a result, the U.S. government rewrote our regulations so that autos can emit dirtier exhaust. Because of this ruling thousands of people may become sick; some may die.

The very popular Marine Mammal Protection Act - specifically the provision that protects dolphins from being slaughtered by tuna fishermen - was found non-compliant (under a GATT rule; now part of the WTO). And the sea turtle protections under the Endangered Species Act were found "WTO illegal." The U.S. may have to rewrite those protections too. Millions more animals may die.

Soon, we can expect challenges to American laws controlling pesticide use, protecting community water rights, and banning

raw log exports, by which both forests and processing jobs are saved. (See photo caption.)

Is this a conspiracy against American laws? No. The WTO has made similar rulings against Japan for refusing imports of fruit products that carry dangerous invasive species. And the European Union (EU) was told it could not forbid imports of beef from animals fed potentially carcinogenic hormones. (In its entire history, no WTO ruling has ever favored the environment.)

Examples abound. Laws in all countries are being homogenized to the lowest common denominator, penalizing countries with higher health and environmental standards.

Such rulings also have secondary, "chilling" effects. Nation-states are increasingly frightened to stand-up to corporations. Guatemala recently cancelled a health law that forbade baby food/ infant formula companies from advertising their products as healthier than breast milk. And Canada cancelled its ban on the gasoline additive MMT, a well-known potential neurotoxin. (This was under a NAFTA rule now proposed for the WTO.) Canada and Guatemala hoped that by canceling their public health laws, they would save their taxpayers the costs of a legal battle. But whatever is saved may later be spent on medical treatments.

It's no conspiracy against the U.S.; it's a conspiracy against the environment. And it's a conspiracy in favor of freeing corporations from democratic laws that regulate their excesses.

II. The deeper problem

These attacks on environmental laws are symptoms of a larger environmental problem: globalization itself. Under globalized free trade, countries as diverse as Sweden and India, Canada and Thailand, Bolivia and Russia are meant to merge their economies, and homogenize their values toward maximum commodity accumulation. This puts the whole planet in a single giant economic (and political) structure, with global corporations in charge.

Such corporations depend on never-ending resource supplies, never-ending growth, ever-expanding markets, and constant supplies of cheap labor. So, WTO rules give top priority to such goals. Older values like preserving nature, or protecting workers, or public health, or communities, or democracy are viewed as impediments to global corporate growth.

But how long can this go on? Already we see serious ozone depletion, global warming, habitat and species destruction, epidemic pollution; we are on the brink of a global environmental collapse. How long can we keep growing on a finite earth? This system is unsustainable. And one of its most unsustainable aspects is the emphasis on export production, as the following case shows.

III. The case of globalized food

Any nation's people are most secure when they can produce their own food, using local resources and local labor. This creates livelihoods, minimizes costly transport and waste, and solidifies communities. It also helps make countries more self-reliant.

Until recently, most people in the world were fed by small farmers, producing diverse staple food crops to serve local communities and local markets. But under WTO rules small farmers are disappearing. In much of the world (including the U.S.) global corporations have taken over most aspects of farming, using chemical-intensive methods, and now biotechnology. Small farmers have given way to miles of single crop luxury monocultures, for export to foreign markets. Today the average meal Europeans and Americans eat travels about 1,500 miles from source to plate. Instead of eating food grown ten miles away, we eat food from overseas. And every mile the food travels causes environmental havoc. The increase in ocean, road, and air transport to ship food back and forth across the planet massively increases energy use, ocean and air pollution, and climate change. It also increases refrigeration, with negative effects on the ozone layer. And it requires far more packaging, putting added pressure on forests. It also requires new infrastructures: roads, ports, airports, and canals, often built in pristine places. Anyway, industrial food is less healthy; heavy with chemicals that pollute soil and water and cause public health problems.

Self-sufficiency is giving way to dependency. The situation is already bad, but the proposed new expanded agriculture rules of the WTO will make it far worse, codifying globally the export-oriented agriculture model.

TANDAS KAMI SENTIASA BERSIH

By Wolverine (titarterbang@hotmail.com)

A few days ago I've notice a banner at a petrol station near my house with the above statement and wallah, I just have stop to check it out. Whoah, it really clean all right. Then it occur to me that I've have to write something down about my experience with public toilets when I was struck with diarrhea a couple of years back.

The thing happened sometime in mid 98, at that time I was working as a freelance for an entertainment comp. Being a freelance I have to travel, work for long hour and didn't go back for a few days was a norm. This one time I was struck with the disease and it stayed with me for nearly tow weeks and it was hell. Every thing that I ate will come out within an hour or so and you can imagine the time I spent sitting on those public toilet bowl. Now tell me, is it hell or what?

Being a Malaysia and knew so well the condition of the so call pay toilets just going to kill you. Imagine the smells, artwork (well some of it was actually good) on the wall, water supply and some people just don't have tendency to flush afterward really gets to my nerve. I'm never really mind to pay but sometime it just piss me of, this so call pay toilets aren't clean at all and some of it really looks like it never been clean before... talk about good service, value for money. During this two week, I have used most of the toilets around K.L and few places throughout the country and being a good friend, I'm going to inform you the nice place to berak around town. Well it not going to be much fun but someone has to do it.

PWTC, K.L

This place got to be the cleanest toilet ever, it got painting on the wall and the smells just kill you. Ok ... Now some warning, when you enter the cubical you will notice that it doesn't have any water tab in it opps jangan terperanjat. On your left (I think so) you can see a toggle of some kind mounted to the wall, well don't press it yet make sure you lean to the wall and now u can press it. Walla, like magic the water came out from toilet bowl. hehehehe. Nice ah. This actually happened to a friend of mine, what happen was this guy press the toggle while standing in front of it and the rest ... you knowlah. He was the laugh of town for a couple of years to come.

Verdict: don't hesitate to use the place when drop by sometime.

CARCOSA SERI NEGARA, SOMEWHERE NEAR ISTANA NEGARA

Have you ever notice in movies those toilet that have some kind of Jaga that pass out perfume before anyone goes out of the toilet. Well this place is just like the heaven of toilet minus the Jaga. The place has class, elegance and styling of an 18th century English toilet. It has perfume soap, roses and toilet paper with their own emblem on ittalk about styling this place definitely going to kill ya. Ok, now the bad partjeng-jeng-jengggggg it doesn't have any water tab in the cubicle. Surprised-surprised, well like I said it is actually build for Mat Salleh so they don't use water They just wipe themselves clean.

Verdict: If it wasn't for the water tab this place can really be a true toilet haven.

ASIAN BROADCASTING CENTER (A.B.C)

BUKIT JALIL

It as nice as PWTC only better. It got the coolest toilet bowlperiod. The bowl is so futuristic that every time I use it I image myself Mr. Spook of Star Trek fame. It got this cool water speed and heating control, where else can you find anything like this man? The warm feeling of water running a long you ass .Wow. . it just blow me away.

Verdict: This is actually a private building, so if you in the area please find some place else to berak ok.

PLUS R&R (NOT THE SMALL "P")

Traveling a lot really tiring and a good bath, rest and decent food can make a lot of difference. It not as elegant as Carcosa Seri Negara, as futuristic as A.B.C but it got this cozy and friendly feeling in it and the most important thing is that it's clean. The cubicle have all that you need and at the bathing section they even have a place where you can sit and wait for an empty cubicle.

Verdict: If anyone reading this working for PLUS, please clean up the small toilet at your parking area ("P"). Other than that everything else is ok.

SURIA, KLCC, KL

Hoihi...halloooo, who the hell designs this place is really mad, we Malaysian are multiracial and water tab in the cubical can really help. The place is clean and further more it's free. The toilet paper seems like it never finish and the soap smells cool to.

Verdict: Other than it doesn't have any water tab in the cubical, I don't have any complaint duh ohAlmost forgot you can't smoke while berak ok.

KOMPLEK DATARAN DATARAN MERDEKA

The place is cool and it located underground with all the great building around it really makes it something. Ok ...sad truth the toilet is dirty and you have to pay to use it. When I was there, only one cubicle that was in good condition. Mind you how does it feel to have to line up for nearly one hour just to berak, now that is what I call patience. It got all the basic of a toilet minus the dirty bowl, smells and some artwork.

Verdict: If you have what it takes to wait for an hour then this is the place, if otherwise don't bother.

LRT STATIONS (PUTRA AND STAR)

Most of the toilets are really clean even though some of it are quite small with only one or two cubicle and have all the basic needs .The only set back is the fact that some of it is not accessible unless you are using the LRT service.

Verdict: If you are a frequent user of LRT, this can be good news but if you are not well find some other place.

K.L RAILWAY STATION. K.L

The toilet location is actually a little bit hard to find but if notice the A&W Restaurant, well it just opposite it on your right. The toilet is clean and you have to pay to use it, ok the railway station is quite far but if you a frequent KOMUTER user then this is the place for you.

Verdict: The place is nice and user friendly and further more it's clean and it got the value for money kind of thing to it.

CENTRAL MARKET. K.L

The toilet here are my favorite even though it have a few leak from the ceil-

ing, it just great. It's clean, have all the basic need and the coolest ever entrance gate. The gate works like those gates at LRT stations minus the card, here you use cash. Warning.During peak hour the toilet can be a bit jam at times other than that it's ok with me.

Verdict: A bit crowed at times but ok, please pay a visit.

SEPANG F1 CIRCUIT. SEPANG.

The first time I set my eyes on the building, I've just felt plain proud of our country. With this under our belt we are really turning ourselves into a great racing nation (Tu yang banyak accident tu). Even though we haven produce any driver yet (Alex Yoong kick some butt!, man) but coming up with a F1 team is really something. Ok ...the toilet is clean enough for me and it's free with all the things in it. There's a lot of it located around the circuit.

Verdict : It's a private building and only open during any event happening there so if you have the chance to see any of the MOTO GP, F1 and those crazy MID-NIGHT SPRINT RACE, don't worry the toilet will be there for you.

KOMPLEK PUSAT BANDAR. PASIR GUDANG.

This place sometimes give me the creep, no it not that it's haunted of anything. It just that it don't have the cozy feeling of any other shopping complex I've been to. Toilets here are clean and free but with a few set back. Ok ... most of the cubicle door don't have any lock to look around can sometimes be really pain in the ass and the water supply like those biskut advertisement shown on TV " kadang- kadang ada , Kadang - kadang tak ada". Toilet paperhahahah , In your dream baby.

Verdict : Don't be taken back by it' poor

maintenance, it still ok by my standard but please check before you berak ok.

Closing statement... cheh .. ni yang malas ni ok. Toilet manner are lack within our society. There a few accidents that I've just have to share to you readers. There's a few times that I've come across toilet bowl with shoes mark on it especially the duduk one. Ok as many of you know the duduk one are for duduk and vice versa, if you just can't berak duduk why the hell use it in the first place and if you have to, please clean it after wards. Ok spraying your bad smells piss all over the place doesn't really makes you a good sprayer so please aim, shoot and flush. Toilet papers cigarette butt, sanitary pad and any other waste materials should be thrown at the correct place, these this one particular time when I've come across a cubicle with so many paper toilet all over the place and it's coved with a lot of shit, I mean lots and lots of shit. It's horrible than any Stephen King books I've hare read. Flushing is something that didn't come naturally too most Malaysian I think. I'm saying this through some experience of mine.

I mean have you ever stand waiting for your turn and the next person leave the cubicle before you enter didn't flush alamak beb is it frustrating or what. Now days with evolving of technology the invention of auto flushing really is god send but the basic rule of toilet manner is still here to stay. So budding Malaysian, please be considerate, flush jangan tak flush.

There you have it folks the miss adventure of the toilet kind. Bye and see ya and happy berak.
